## The Widow's Coins – Luke 21:1-4

One day at the temple, people were putting money in an offering box.

There was a widow giving all her money away.

A widow is someone who has lost their husband and sometimes they do not have much money. Why was she giving away all her money?

Jesus told the disciples that they are to take care of the widows, but instead the widow was giving to the temple.

She gave all she had to the temple. She gave more than anyone else because she gave everything while others were just giving spare change.

We can learn so much from the widow

### Family Spiritual Practice

Read the story of The Widow's Coins together.

**Wonder:** What do you have that you can give to God?

**Do:** Think of something you can sacrifice this week as a family, such as eating out or spending money on entertainment. Use the time and money you save from sacrificing something to give back to someone or something, such as your church or a favorite nonprofit organization.

**Pray:** Dear God, thank you the example of the widow and her coins. Help us give what we have so that others will know about your love. Amen.
