# Beam

Information Desk Assistant  
Blended P'nti Woman

- Youngest crew member.
- Craves hugs.

★ "We are family."

---

★ "Some of us honestly crave hugs...  
especially the blended crew members and trainees.  
For us, touch seems to be much more important."

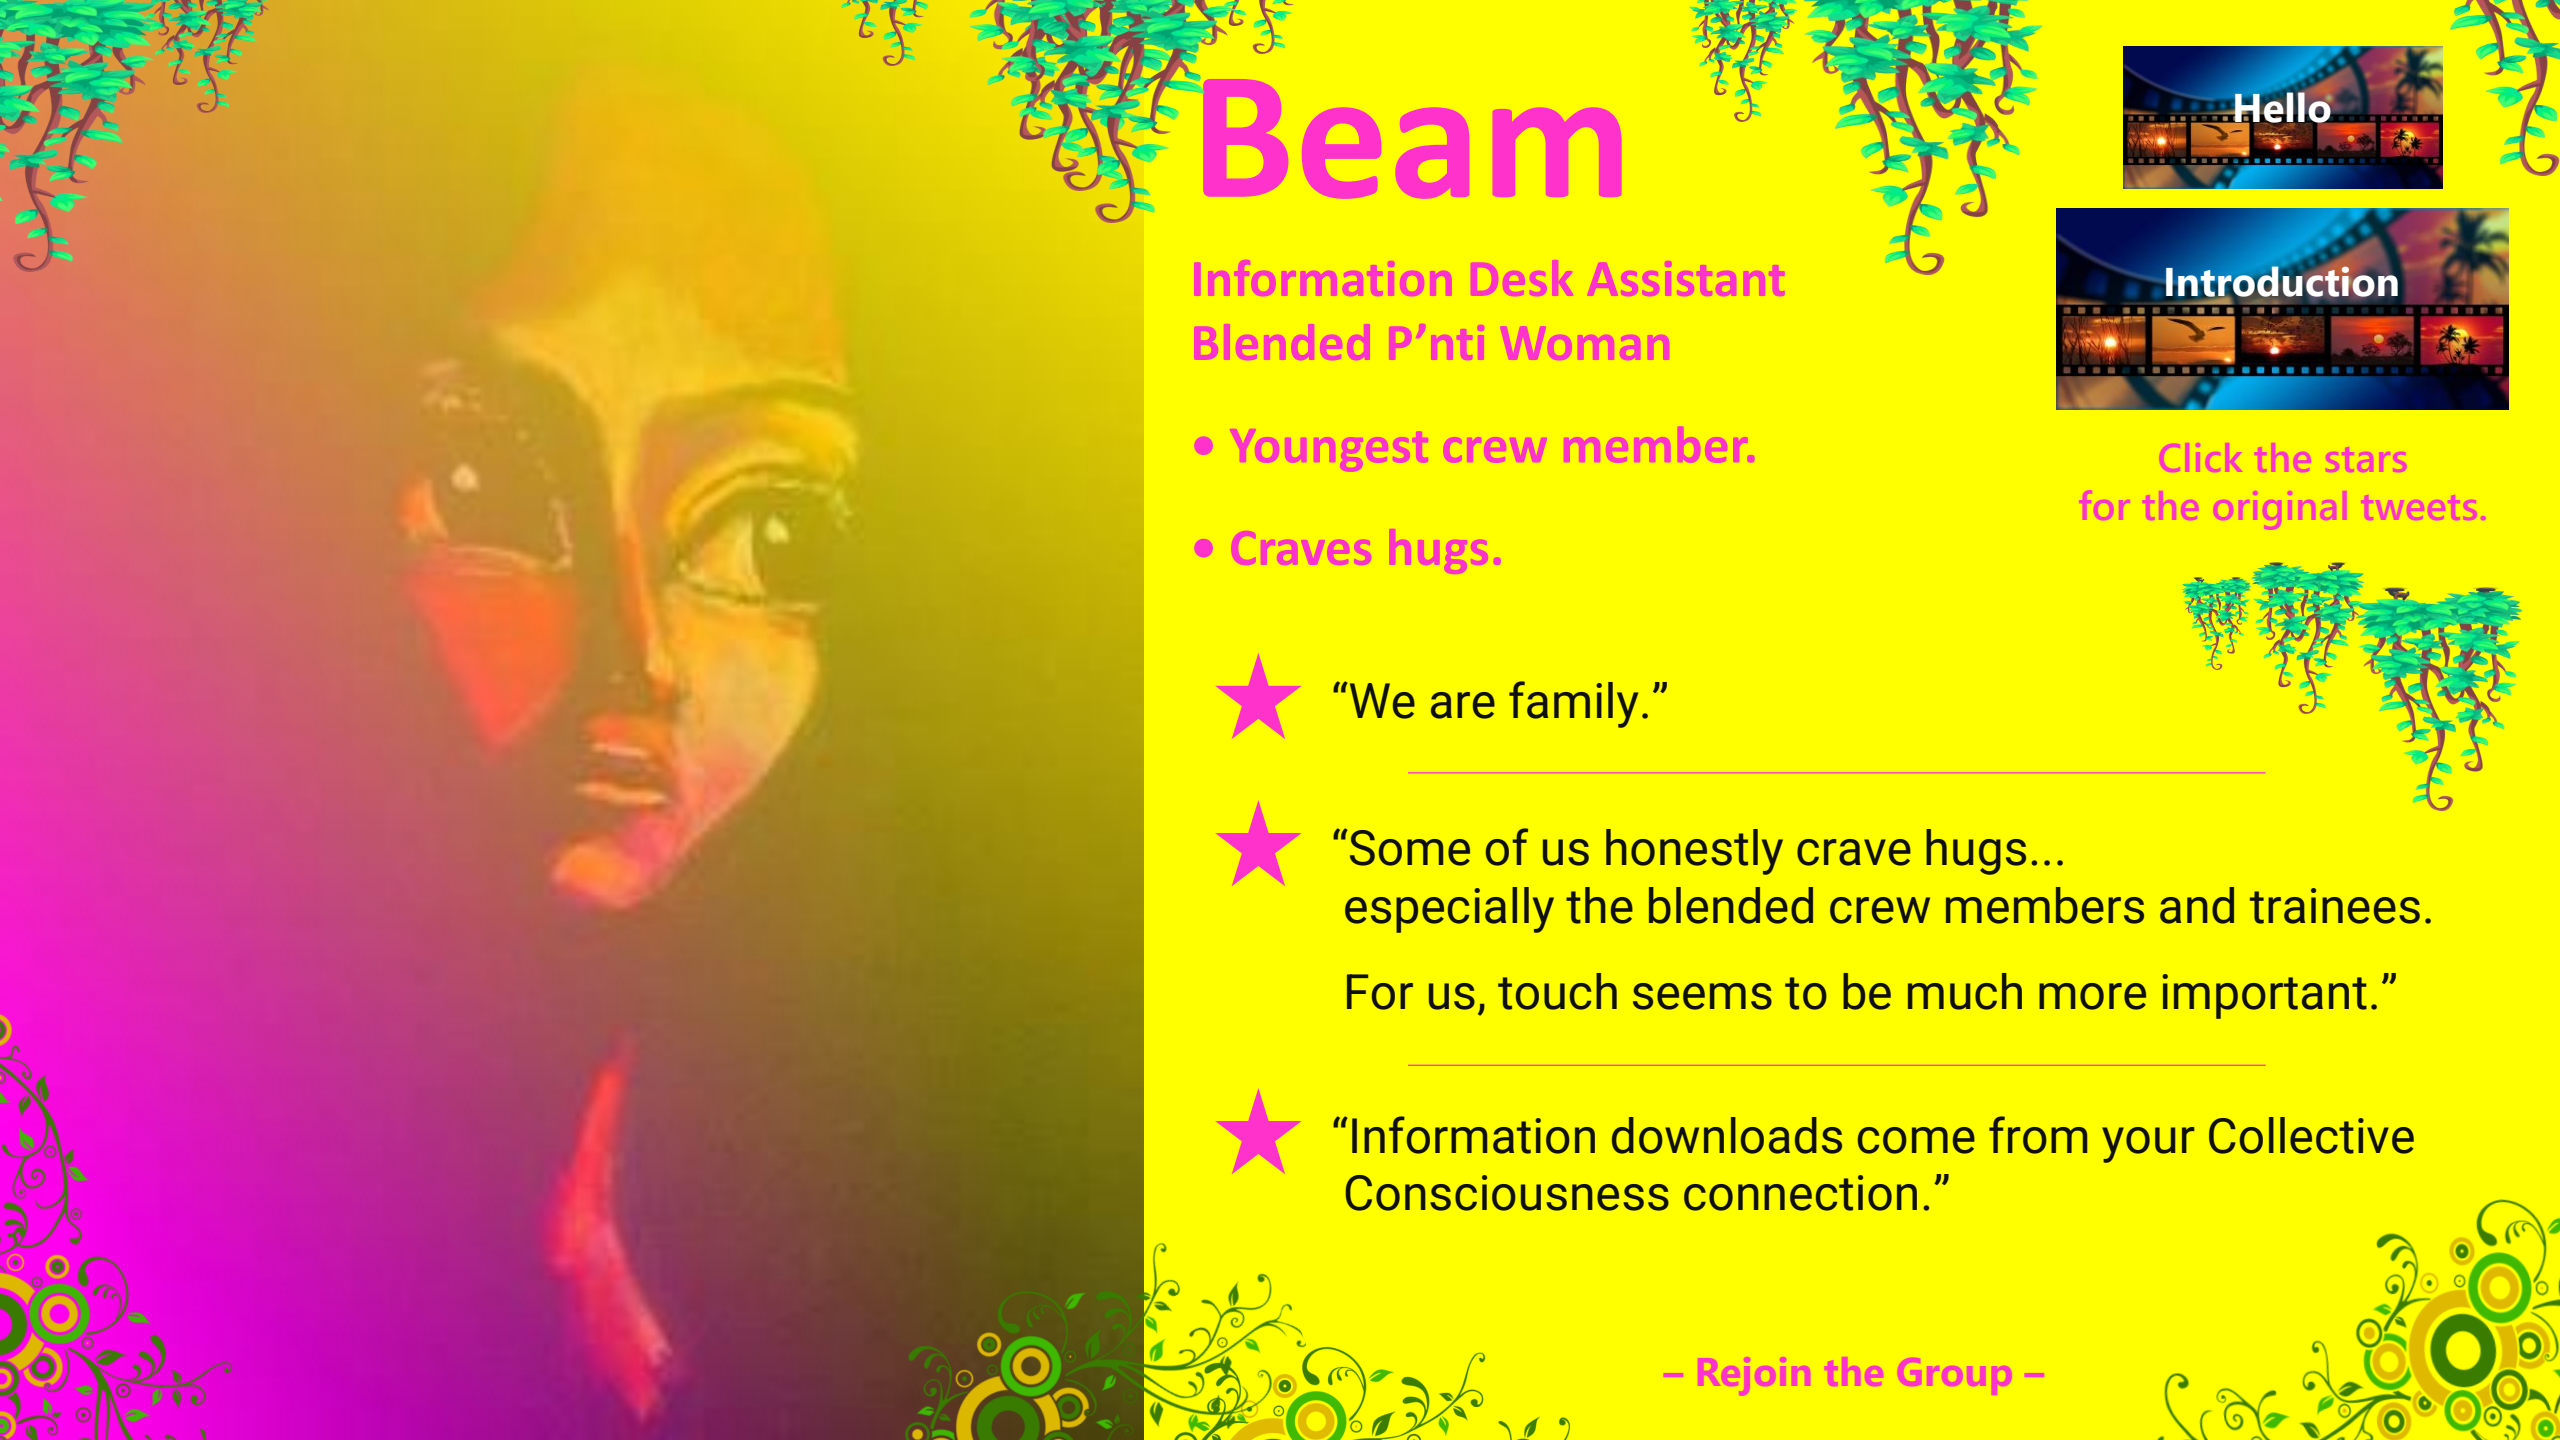

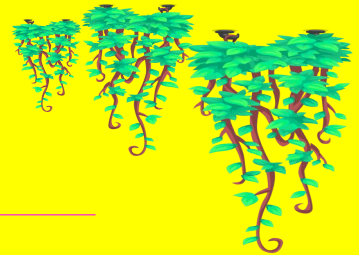

---

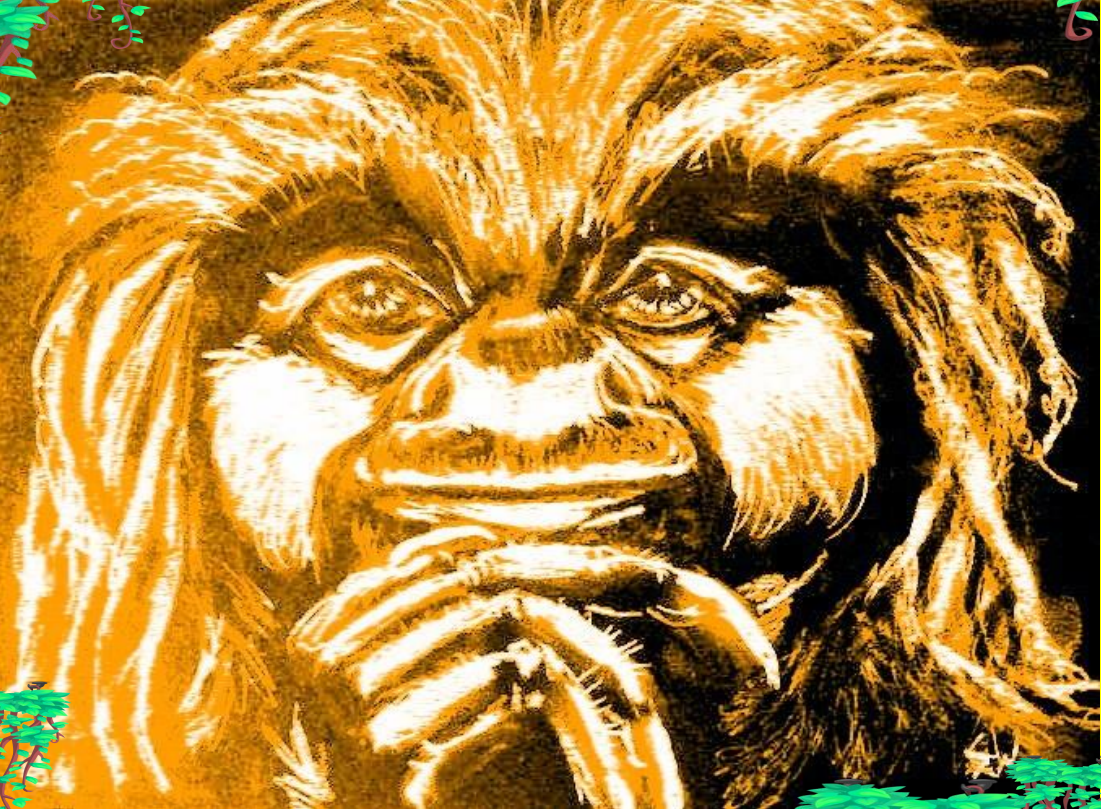

★ "Information downloads come from your Collective  
Consciousness connection."

# BmBm (BamBam)

Jrooti's Companion  
Male Scratcher

- Can imitate any sound.
- Once ordered nearly \$500 worth of pizza with 7 words.

"His name is BmBm and he is a scratcher (think intelligent large sloth-like species with long curled locks that form a rope texture.)"

BmBm's people are known for their ability to imitate nearly any sound they hear, similar to your parrots." -Jrooti

"Bmbm is not a staff member per se, but acts more like a wise advisor. Like the Sasquatch, while being telepathic, he can also imitate any sound or voice he hears." -T'ni

# Dell

Fleetmaster  
P'nti Man

- Knows all of the sentient ships well.
- Has served at the station the longest.

★ "We all have to get used to something.  
You might as well start now."

---

★ "Our ships do require water and nutrients which are provided regularly. They are sentient, they do have souls. When a new craft is extruded, the soul has already taken up habitation within the vessel. I make the time to get to know each one quite well."

---

★ "When you've lived as long as I have,  
you KNOW traveling through space is unforgiving."

---

★ "In all the hangar bays across the galaxy,  
Fleetmasters make the best storytellers."

- **Previously an Environmental Analyst.**
- **Artistic, with a strong eye for detail.**

★ "We are P'ntl Human.  
You are Earth Human.

There are MANY kinds of humans in this galaxy.

As you learn more, you will find it to be a common body type for researchers visiting your planet's land-based sentients."

★ "Most Star Nations consider Earth Humans as chaotic, out of control, kindergartners who require a watchful eye so they do not injure themselves or others."

★ "Appreciating your beautiful blue planet is an excellent thank you. Tk tk."

- Confirms that music can heal in many ways.

★ "Music certainly does have the power to heal.  
In many kinds of ways."

★ "What other nations would the Federation consult on Earth?  
The aquatics including cetaceans, octopi, manatee, and mer-peoples.  
The Sasquatch and other woodben.

Why?

Because these nations are all  
at a higher advanced civilization level than Earth Humans are."

P'nti Woman

- Known for her graciousness.
- Enjoys practicing our dances, and flykiting in the Amazon.

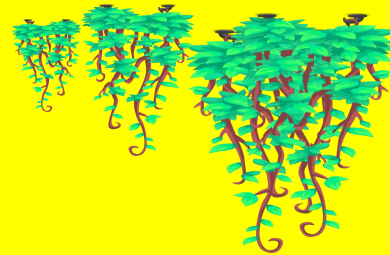

★ "Love. Friendship. Joy. Laughter.  
You know...the most important stuff."

★ "At the end of life, in your last moments,  
will you look back to cherish  
the things that you have proved,  
or the memories of people and events  
you had the strongest emotional ties with?  
Is logic more important in life than love?  
It takes them both."
