Welcome back!!! Classes begin next week, the week of August 7<sup>th</sup>!!! I hope you have all had a safe and healthy summer and have had some time to do something fun!! I know this year will be one of the best ones yet!!! Our amazing staff is excited to be back and we are looking forward to a full season that will be packed full of growth for all of the dancers!! SO EXCITED TO GET GOING!!! **Here we go....24<sup>th</sup> Season here at DMDA!!!!**

- **Videos/Links-** If you were not able to come to the studio during the summer to pick up your recital DVD's, no problem. You can come in next week and pick them up during your dancers' class time! If you didn't order a Downloadable Link and still want one let me know. I can still get you a code through the end of August if you would like. I am no longer able to get the DVD's unfortunately since those are made to order.
- **Registration-** You can still add any classes to your schedule if you would like. Quite a few of our classes are filling up or full, so if you would like to add one I suggest that you do so sooner than later. Our instructors will be watching class placements the first month or so to make sure that your child is in the correct class for their level and age. Just know that it is our utmost concern that your child gets the most out of their classes so we will make sure their class is a perfect fit.
- **Class Size-** If after the first couple of weeks a class is too big, we will work on splitting those up for you. If there is a class by the end of August that is too small, we will make sure you are merged in with another that works for you!!

**TRY ANY STYLE OF DANCE WEEK!!!**

Have you always wanted to try a different style of dance but didn't want to quite sign up because you weren't sure you would like it? Well now is your chance!!! August 28-August 31st you can go to ANY class you want to try a different style? Never have done Hip hop? **TRY IT!!!** Never have tried tap? **GO FOR IT!!** This is your week to do so!!! You just need to look at the schedule and come to that appropriate class time!! Let us know if you have any questions!!

.....continued on the next page.

To begin the year, I just want to reiterate the importance of a caring, supportive and community environment at Dynamic Motion!! We are all here to learn and grow together with positivity and a kind empathetic heart and mind! This studio should be a haven where bullying is stopped in its tracks at the door and I would like to continue to have this be the case here at DMDA!!! A smile goes a long way, kind words can be everything someone needs to turn their day around, and happiness for other's accomplishments should be celebrated and embraced just as much as yours are!

Let's start this year off as a wonderful dancing family and community trying to make this world a better place!!!

Looking forward to this season,
