

****Western Area Modeling Club Newsletter - October 2023****

Subject: October Newsletter: Indoor Flying Resumes, Field Updates, and Meeting Reminder!

Dear WAMS Members,

We hope this newsletter finds you well and ready for some exciting updates and reminders. Here's what's happening in our community:

****1. October Meeting Reminder:****

Just a friendly reminder that our October meeting is scheduled for Monday, October 16th. We look forward to seeing you all at Spring Creek BBQ. With the cooler weather upon us, we anticipate a great turnout and more enjoyable gatherings.

****2. Indoor Flying Opportunities:****

For those who haven't heard, we're thrilled to announce that indoor flying is now taking place not only every Friday night at the Methodist church off the Loop and Highway 51 but also twice a month at the middle school in Saginaw. This provides our members with more opportunities to hone their skills and enjoy flying year-round.

****3. Field Updates:****

Thanks to the dedicated efforts of David Hullender, we have submitted an engineer's proposal for our shade structure to the city. This proposal will soon be presented to the TCEQ office in Austin for approval. Additionally, the field has undergone significant improvements, with the city cleaning up a substantial part of the property. The runway holes have been repaired, and the new race car track is complete and ready for action.

****4. Meeting Agenda:****

During our upcoming meeting, We will be sharing more details about the field improvements and seeking your input on any additional ideas or recommendations. Your feedback is crucial as we work towards creating the best possible flying experience for our members.

****5. Looking Forward:****

With the cooler weather settling in, we anticipate more members joining us on the field for some pleasant days of flying and camaraderie. Your presence adds to the vibrancy of our community, and we're excited about the upcoming months.

We appreciate your continued support and enthusiasm for our shared passion. Let's make the October meeting a memorable one!

See you on Monday at Spring Creek BBQ!

Best regards,

Joseph Salazar "Saladbar", Communications Director
