SATURDAY FUN AT THE FIELD

I hope everyone had a wonderful Valentine's Day.

Due to the excessive noise at El Chico, the February meeting will be held at Willie and Dicks restaurant located at 424 fall Creek Hwy. this is temporary as we are working on a permanent location. We have applied with the Presbyterian church for the monthly use of the fellowship hall. This facility offers a quiet atmosphere where we can conduct business without being overrun with excessive noise. Tables, chairs, and restrooms are available; we will not be charged as a nonprofit. If the application is accepted, we can bring in outside food as long as all trash is placed in the outdoor trash container. Inside must be returned to the condition it was upon arrival.

WAMS RC CLUB; Some fun of the Helicopter kind was had at the field on Saturday, and some planes were flying!

LOST PLANE ALERT!

Hi everyone! We are glad to report that a lost airplane was returned to the club field today. It is a warbird, and if it belongs to you, we would love to return it to its rightful owner.

Please contact us if you recognize this plane info or have any information that might help us identify it. Thank you in advance for your help!
