Message From the Editor, Joseph "Saladbar" Salazar

Hello, my name is Joe. I want to tell you about myself. I'm the editor of the Western Area Modeling Society RC-Club newsletter.

The purpose of the newsletter is to inform members of upcoming events and give them a voice to communicate with one another. I'm also responsible for writing a monthly column to educate readers about the remote-control hobby.

I spend much time on the computer working on the newsletter, but I also enjoy spending time with friends and family. We hope you enjoy reading it, and we look forward to hearing from you!

Having the right gear make for more fun time to fly.

Story From a “Guest Columnist”?

I like to reserve this area for our members and guest.

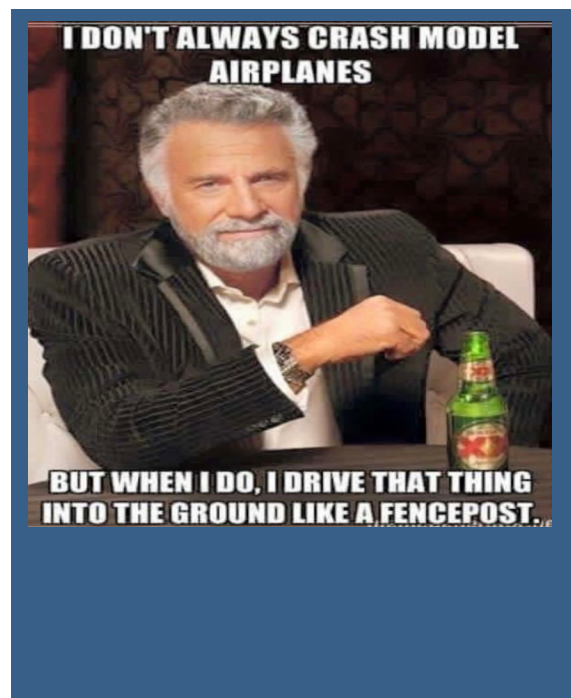

If you have an exciting story, you’d like me to post here or an event around our hometown? Catch me at a meeting or on the field, as always, you can email me at copos-vet0q@icloud.com

Remember this, let’s not let the momentum fade. We recently got loads of dirt donated to the field, and we look forward to implementing your ideas as to what and where we should best put it to good use.

What projects are you working on?

I have two Bloody Barons and an FT Nano Flerken kit that I’m looking at finishing building this winter, if not sooner and I just picked up a Vanquish VS4-10 Phoenix Portal rock crawler. I’m researching what electronics to put in it. Side note I once owned a Toyota FJ40, but that’s a story for later. I can tell later as time permits.

~ Saladbar

NEXT CLUB MEETING:

Discuss what needs to be done with the new dirt on the field and set a Work Day.

Discuss cleaning out and organizing the green monster.

Vote on By-Laws Update

What concerns and issues do our members have?

Follow-up on discussion from last meeting about RC Cars and Track.

Meeting date:

Day 10/18/22 @6:30pm

Location: [R & K Cafe](#)
1802 Santa Fe Dr.
Weatherford, TX 76086
Tel:817-550-6868

“Life is short. Make sure you have fun while living it.”
~JVSCC

Do we need a website?

WAMS is looking into a free website for the club.
