Who would of ever thunk that this little toy would forever instill the need to fly a plane as soon as we could afford to buy one

Please excuse my late notice. The last month has been challenging for me, fighting covid and pneumonia. I am on the mend, trying to catch up on many neglected issues.

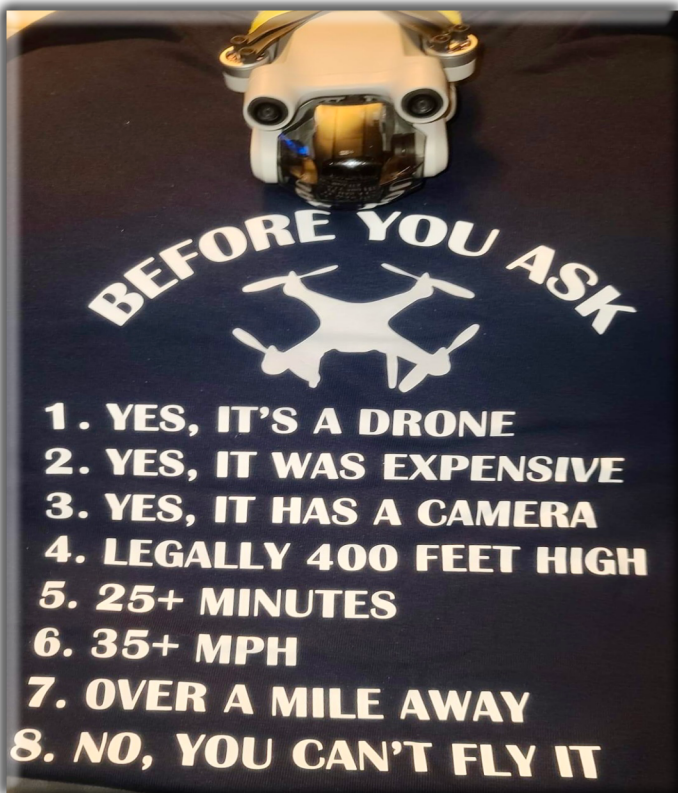

I have reserved El Chico restaurant in Granbury for the club Christmas party on December 19th at 6.00 pm. Following dinner and social time, we will have our Chinese gift exchange for those wishing to participate. The gift amount to be held is around \$20.00. Historically items have been model-related due to the participant's interest. This year I opened it up to all presents, both men and wives and girlfriends; therefore, all gifts may not be as before. Following the event, I will open the floor for open trading between guests if interest is so desired. We are there to have fun and fellowship with one another. This has been a hectic year for the club, with growth and trying to establish a new flying field. Hopefully, the following year will soften as we finish what we have started. We have the opportunity to make this a desirable club to belong to, and we can have a charming facility to use with a bit of work.

I have posted this notice on the Facebook page, but since all do not use Facebook, some may be getting this notice twice. Please respond by email or Facebook if you are attending asap so I can notify El Chico with an approximate head count.

Next year's dues are due, and several have surrendered them to me; I will be available to accept your rights at the party if you care to do so. Dues must be received by the end of January 2023, as the gate code will be changed at the beginning of February.

Thanks to all

Doc Moore

NEW WEBSITE.

The Domain name and URL will be emailed to all members once the site is created and populated with content.

We hope everyone is having a great time with family, sharing laughs, and working on projects that the heat and time would not allow this past summer. We look forward to seeing all your new toys come next year on the field.
