BECOMING A PERSON OF INFLUENCE

COURSE DESCRIPTION

You are an influencer. Whatever your vocation or aspiration is, you can increase your impact with simple, insightful ways to interact more positively with others. Influence is something that many people don't focus on building because they don't see the direct correlation between influence and success, but that correlation is there. Leadership is 'influence, nothing more, nothing less.' When you're able to build your influence, you're able to have a greater positive impact on your current and future success.

Course Objectives:

- Why people of influence never compromise their integrity
- What steps you can take to become an influential person
- How people of influence can change other people
