THE CHARTER OF THE CITY OF GRAND JUNCTION

P R E A M B L E

We, the people of the City of Grand Junction, under the authority of the Constitution of the State of Colorado, do ordain and establish this Charter for the City of Grand Junction, Colorado.

ARTICLE I

NAME, BOUNDARIES, POWERS, RIGHTS AND LIABILITIES

1. Name--Boundaries.

The municipal corporation now existing and known as the "City of Grand Junction" shall remain and continue to be a body politic and corporate under the same name and with the same boundaries, with power and authority to change its boundaries in manner authorized by law.

2. Powers--Rights--Liabilities.

By the name of the "City of Grand Junction," the city--

(a) Shall have perpetual succession, and shall own, possess and hold all property, real and personal, theretofore owned, possessed or held by the said City of Grand Junction, and

shall assume, manage and dispose of all trusts in any way connected therewith;

(b) Shall succeed to all the rights and liabilities and shall acquire all benefits, and shall assume and pay all bonds, obligations and indebtedness of said City of Grand Junction; by that name may sue and defend, plead and be impleaded, in all courts and places, and in all matters and proceedings; may have and use a common seal and alter the same at pleasure; may purchase, receive, hold and enjoy, or sell and dispose of, real and personal property;

(c) May receive bequests, gifts and donations of all kinds of property in fee simple, or trust for public, charitable, or other purposes; and to all things and acts necessary to carry out the purpose of such gifts, bequests and donations, with power to manage, sell, lease or otherwise dispose of the same in accordance with the terms of the gift, bequest or donation;

(d) Shall have the power, within or without its territorial limits, to construct, condemn and purchase, purchase, acquire, lease, add to, maintain, conduct and operate waterworks, light plants, telephone systems, power plants, transportation systems, heating plants, and any other public utilities or works or ways, or any contracts in relation or connection therewith, that may exist and which said city may desire to purchase, in whole or in part, the same or any part thereof may be purchased by said city, which may enforce such purchase by proceedings at law as in taking land for public use by right of eminent domain, and shall have the power to issue bonds upon the vote of the taxpaying electors, at any special or general election, in any amount necessary to carry out any of said powers or purposes;

(e) The legislative, executive and judicial powers of the city shall extend to all matters of local and municipal government, it being the intent hereof that the specifications of particular powers by any other provision of this Charter shall never be construed as impairing the effect of the general grant of powers of local government hereby bestowed;

(f) The city shall also have all powers, privileges and functions which, by or pursuant to the Constitution of this State, have been, or could be granted to or exercised by any city of the first or second class;

(g) All powers of the city shall, except as otherwise provided in this Charter, be vested in its elective officers, subject to distribution and delegation of such powers as provided in this Charter or by ordinance.

ARTICLE II ELECTIONS

3. General and Special Municipal Elections.

A municipal election shall be held in the city on the first Tuesday after the first Monday in April, 1925, and on the first Tuesday after the first Monday in April of every second year thereafter, and shall be known as the General Municipal Election. All other municipal elections that may be held shall be known as Special Municipal Elections.

4. Registration.

No person shall be permitted to vote at any municipal election without having been registered. The registration shall be the same as is now or may hereafter be provided by the general laws of the state, except as the council may otherwise by ordinance provide.

5. Judges and Clerks.

The judges and clerks of any election shall be selected from a list of persons, one each of whom

may be proposed for each election precinct by each candidate. In case there are five candidates or more who present lists at any election, not more than one judge or clerk of election shall be chosen for each precinct from the names proposed by any one candidate. All such lists shall be proposed in writing at least thirty days before election. In case an insufficient number of names are so proposed, the city council may select such number as may be necessary in order to provide three judges and two clerks for each election precinct.

6. Nominations.

All nominations for elective offices shall be made by petition signed by not less than fifty registered electors of the city, and, except as herein provided, the manner of nominations and acceptances shall be governed by the state laws applicable thereto, unless otherwise provided by ordinance. No petition of nomination, however, shall contain the name of a political party or organization or other like designation.

Sections 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16, repealed.

17. Election Notices.

The City Clerk shall, on the tenth day before every city election, certify a list of the candidates so nominated for office at such election, whose names are entitled to appear on the ballot, as being the list of candidates nominated as required by this Charter, together with the offices to be filled at such election, designating whether such election is for a full or unexpired term; and he shall file in his office said certified list of names and offices so to be filled, and he shall cause to be published in a notice calling such election, for any three successive days during the ten-day period prior to such election, in at least one daily newspaper of general circulation published in the City of Grand Junction, an election notice, which said notice shall contain a list of said names of candidates, the offices to be filled and the time when and the places of holding such election.

18. Form of Ballot.

The city clerk shall cause ballots for every general and special election to be printed, bound, numbered, endorsed, and authenticated, as provided by the laws of the State of Colorado except as otherwise provided by this Charter. Every ballot intended for the use of voters shall contain the full list and correct name of all the respective offices to be filled and the names of all candidates nominated therefor, whose nominations have been duly made as provided by this Charter and ordinances pursuant thereto, and who have not died or withdrawn, and shall contain no other names of persons. The ballots shall be so printed as to give each voter a clear opportunity to designate by cross mark (x) in a sufficient margin at the right of the name of each candidate, and of each question submitted, his choice of candidates, and his answer to the question submitted; and on the ballot may be printed such words or instructions as will aid the voter to do so.

19. Blank Spaces for Additional Candidates.

One space shall be left below the printed names of the candidates for each office to be voted for, wherein the voter may write the name of any person for whom he may wish to vote.

20. Requirements of Ballots.

All ballots printed shall be identical, so that without the numerical number thereon it would be impossible to distinguish one ballot from another. Space shall be provided on the ballot for charter amendments or other questions to be voted on at the municipal elections, as provided by this Charter. The names of candidates for each office shall be arranged in alphabetical order of the surnames. Nothing on the ballot shall be indicative of the source of the candidacy, or of the support of any candidate. No ballot shall have printed thereon any party or political designation or mark, and there shall not be appended to the name of any candidate any such party or political

designation or mark, or anything indicating his views or opinions.

21. Sample Ballots.

The city clerk shall, at least five days before the election, cause to be printed not less than five hundred sample ballots, upon paper of different color, but otherwise identical with the ballot, to be used at the election, and shall distribute the same, upon application of the candidates, to the registered voters at his office.

22. Canvass and Election.

As soon as the polls are closed, the election judges shall immediately open the ballot boxes, take therefrom and count the ballots, and enter the total number thereof on the tally sheet provided therefor. They shall then carefully enter the number of votes for each candidate on said tally sheet and make return to the city clerk as provided by law. No vote shall be counted for any candidate more than once on any ballot. The person receiving the highest number of votes cast at such election for any office shall be elected to that office. A tie between two or more candidates shall be decided by lot, under direction of the canvassing board.

23. Informalities in Election.

No informalities in conducting municipal elections shall invalidate the same, if they have been conducted fairly and in substantial conformity with the requirement of this Charter.

Section 24 repealed.

25. General Election Regulations.

The provisions of any state law, now or hereafter in force, except as the council may otherwise by ordinance provide, relating to the qualifications and registration of electors, the manner of voting, the duties of election officers, the canvassing of returns, and all other particulars in respect to the management of elections, except as otherwise provided in this article, so far as they may be applicable, shall govern all municipal elections; provided, also, that the council shall meet as a canvassing board and duly canvass the election returns within two days after any municipal election. Whenever any member of the council is a candidate for re-election, the council shall appoint some justice of the peace or notary public of said city to take the place of said candidate upon said canvassing board as a member thereof.

Section 26 repealed.

ARTICLE III RECALL OF ELECTIVE OFFICERS

27. Applies to All Elective Officers.

Any holder of an elective office may be recalled and removed therefrom by the registered electors of the city as provided in this article.

28. Petition for Recall.

Any registered elector of the city may make and file with the city clerk an affidavit containing the name of the officer sought to be removed, and a specific statement of the grounds of removal. The clerk shall thereupon deliver to the elector making such affidavit, a sufficient number of copies of petitions for such recall and removal, printed forms of which he shall keep on hand. Such petitions shall be issued by the clerk with his signature and official seal thereto attached; they shall be dated and addressed to the city council, shall contain the name of the person to whom issued, the number of forms so issued, the name of the person sought to be removed, the office from which said removal is sought, the grounds of such removal as stated in said affidavit,

and shall demand the election of the successor to such office, a copy of which petition shall be entered in a record book to be kept in the office of said clerk. Any defect in said form or record shall not invalidate the same. Said recall petition must be returned and filed with said clerk within thirty days of its issuance. Said petitions before being returned and filed, shall be signed by registered electors equal in number to at least twenty-five per centum of the last preceding vote cast for all the candidates for Governor of the State of Colorado by the electors of the city, and to each such signature shall be attached his place of residence, giving the street and number. Such signatures need not all be on one paper. One of the signers of each such paper shall make an affidavit thereto that the statements therein contained are true, and that each signature appended to the paper is the genuine signature of the person whose name it purports to be. All such papers for the recall of any one officer shall be fastened together and filed as one instrument, with the endorsements thereon of the names and addresses of three persons designated as filing the same.

29. Petition May Be Amended or New Petition Made.

Within ten days from the filing of said petition, the clerk shall ascertain by examination thereof and of the registration books and election returns, whether the petition is signed by the requisite number of registered electors, and shall attach thereto his certificate showing the result of such examination. He shall, if necessary, be allowed extra help by the council.

If his certificate shows the petition to be insufficient, he shall within said ten days so notify in writing one or more of the persons designated on the petition as filing the same; and the petition may be amended at any time within ten days from the filing of the certificate. The clerk shall, within ten days after such amendment, make like examination of the amended petition, and attach thereto his certificate of the result. If still insufficient, or if no amendment is made, he shall return the petition to one of the persons designated thereon as filing it, without prejudice, however, to the filing of a new petition for the same purpose.

30. Election Under Recall Petition, Unless Officer Resigns.

If the petition or amended petition shall be found and certified by the clerk to be sufficient, he shall submit the same with his certificate to the council without delay, and the council shall, if the officer sought to be removed does not resign within five days thereafter, thereupon order an election to be held on a Tuesday fixed by it, not less than thirty nor more than forty days from the date of the clerk's certificate that a sufficient petition is filed; provided, however, that if any other municipal election is to occur within sixty days from the date of the clerk's certificate, the council may, in its discretion, postpone the holding of the removal election to the date of such other municipal election. If a vacancy occurs in said office, after a removal election has been so ordered, the election shall nevertheless proceed as in this article provided.

31. Candidates--Election.

Any officer sought to be removed may be a candidate to succeed himself, and unless he requests otherwise in writing, the clerk shall place his name on the official ballot without nomination. The nomination of other candidates, the publication of notice of such removal election, and the conduct of the same, shall all be in accord with the provisions of Article II hereof, relating to elections.

32. Incumbent Removed.

The incumbent shall continue to perform the duties of his office until the removal election. If then elected, he shall continue in office for the balance of his term. If not then elected, he shall be deemed removed upon the qualification of his successor, who shall hold office during the unexpired term. If the successor fails to qualify within ten days after receiving notification of his

election, the incumbent shall thereupon be deemed removed and the office vacant.

33. No Recall Petition for First Three Months.

No recall petition shall be filed against any officer until he has actually held his office for at least three months.

34. Incapacity of Recalled Officer.

No person who has been removed from office by recall, or who has resigned from such office while recall proceedings were pending against him, shall be appointed to any office within one year after such removal by recall or resignation.

ARTICLE IV ELECTIVE OFFICERS

35. Officers--Terms.

That the elective officers under the Charter of Grand Junction shall be members of the council as hereinafter provided, all of whom shall be nominated and elected by the registered electors of the city as herein provided. The terms of all elective officers shall commence at ten o'clock a.m. on the first Monday in May following the election and shall be for a term of four years each and until ten o'clock a.m. on the first Monday following the election and qualification of their successors; provided, however, that the office of one of the councilmen elected from the city at large and two councilmen elected from districts at the general municipal election in April, 1925, shall be for two years only, so that their successors shall be elected at the general municipal election in April, 1927, and every four years thereafter. 36. Membership and District Boundaries.

The council shall consist of seven members to be designated as councilmembers, one of which shall be elected by the registered electors of the entire city from each of the districts as determined from time to time by resolution of the city council, and two members to be elected from the city large. The council shall be the judge of the election and qualification of its own members; shall determine its own rules; shall punish its own members for disorderly conduct, and may compel the attendance of its members. The council may from time to time, by resolution, by two-thirds vote of all its members, change the boundaries of the districts.

37. Vacancies.

A vacancy in the council, from whatever cause arising, shall be filled by the council from among the electors of the district in which the vacancy occurs if a district councilmember, or at large if a councilmember at large, until the next general municipal election, when a successor shall be chosen for the unexpired term. A vacancy shall be taken to exist when a member of the council fails to qualify for thirty days after the commencement of his term, dies, resigns, removes from the city or from the district which he was elected to represent, absents himself from five consecutive meetings of the council unless excused by resolution thereof, is convicted of violating any provision of this Charter, or of a felony, or is judicially declared a lunatic as defined by statute.

38. Salaries, Meetings.

At least two meetings of the city council shall be held monthly at such times as may be fixed by the council, such two meetings to be known as the regular meetings. All other meetings of the City council shall be known as special meetings or adjournments. The President of the Council shall be paid a salary of \$750.00 per month and all other councilmembers shall each be paid a salary of \$500.00 per month. (Approved by the voters at a regular election held 4-6-99.)

He shall serve for a term of ONE YEAR and until his successor is elected and qualified. During such term he shall be a member of the council with the same right to speak and vote therein as any other member, but without the right of veto. He shall be recognized as the official head of the city for all ceremonial purposes, by the courts for the purpose of serving civil process, and by the governor for military purposes. In case of his absence or disability, his duties shall be performed by a president pro tempore, chosen by the council from among its own members.

The grant may also provide that in case such reserved right to operate or to take over such plant or property is not exercised by the city, and it shall, prior to payment for the same secure a bid for the property, and grant a new franchise for the same service or utility, as provided in Paragraph c of this section, or grant the right to another person or corporation to operate said utility, so occupied and used by its grantor, under the former grant, that the title to and possession of the plant and property so taken away be transferred directly to the new grantee upon the terms upon which the city may have purchased it.

(c) Whenever any plant or property shall become the property of the City of Grand Junction, the city shall have the option at any time, then or thereafter, either to operate the same on its own account, or by ordinance to lease the same or any part thereof, together with the franchise or right to use the streets or other public property in connection therewith, for periods not exceeding twenty-five years, under such rules and regulations as it may prescribe, or by ordinance to sell the same; provided, however, that no such ordinance shall be adopted except by a majority vote of the registered electors of the city.

126. Charter Provisions Not to Impair Right to Insert Other Matters in Franchise.
