:

Welcome to the 2024 Tax Filing Season. Currently, there are an enormous number of tax law changes poised to impact this year's filings, and we have been devoted to studying these changes so that we can confidently address them. The upcoming filing season will be an incredibly challenging one, and we know that many of you may find the tax law changes intimidating. Rest assured, we will head into this uncharted territory together. As always we will be in the thick of these tax law changes with you, looking for ways to maximize your tax situation and finding ways to minimize your tax liability. **AND**, we will continue to make it our goal to make your tax return filing process a little less *taxing*.

***Looming large on the tax horizon this year are energy credits which are better than ever! Be sure to include costs for things like windows, doors, insulation, mini-splits, solar and energy efficient boilers and hot water heaters. The \$600 lifetime cap on these items has been removed, and these credits will be giving some valuable tax savings this year!***

***Another difficult issue we have been dealing with in recent years is identity theft. The best way to counter this problem is to file your tax returns early in the filing season. Most people that have their tax identities stolen file late in the tax season or after the due date. The earlier we get your tax returns filed the less likely you are to have a scammer steal your tax identity.***

The enclosed organizer is designed especially for you in order to help you assemble your tax information, and we would like to take this opportunity to encourage its use. **Experience has taught us that when clients use these organizers there are less errors, greater consistency with previous years, and information is less likely to be omitted.**

Our goal is to prepare your tax returns in a convenient, competent, and efficient manner. **We encourage you to either mail your tax information to our Westport office, or drop it off at our Westport office.** **Our schedule in Orleans will be a little lighter this year so while we will be scheduling appointments there on certain Tuesdays and checking for drop offs regularly we encourage you to mail returns to the Westport office which is fully staffed every day.** Receiving your tax information prior to a tax appointment allows us the opportunity to work on your taxes and compile a list of questions or missing information that we can then obtain from you via appointment, email, phone or fax. Also, please be sure to make a list of any questions you might have for us so that we can answer all of your questions after thoroughly reviewing your information.

**Your completed tax package must be received by March 20<sup>th</sup> in order to allow us to complete your return without filing an extension.** Please contact us if you are not able to file a timely return and would like us to file an extension on your behalf.

We are available year-round to answer any questions that you may have and encourage you to contact us. A few things that remain steadfast is our dedication to our clients, reducing their tax bill, and the relationships that we have built over the years. We are here to help year-round! **Referrals are greatly appreciated!** We are fortunate to have built our client base on the referrals of satisfied clients. We take great pride in our continued relationships with our valued clients and can't thank you enough for your continued patronage.

Sincerely,  
Sherilyn F Mahoney

Subject: Preparation of Your 2023 Tax Returns

:

Thank you for choosing TAXING MATTERS to assist you with your 2023 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2023 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee is based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due and payable upon presentation. All accounts not paid within thirty (30) days are subject to interest charges to the extent permitted by state law.

We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, in a secure location. We retain copies of your records and our work papers from your engagement for up to seven years, after which these documents will be destroyed.

If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Our engagement to prepare your 2023 tax returns will conclude with the delivery of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, sign the enclosed copy of this letter in the space indicated and return it to us in the envelope provided.

Thank you for the opportunity to be of service. If you have any questions, contact our office at (508)636-9829.

Sincerely,

Sherilyn F Mahoney
