BWW Under 65 Retirees,

Retirees and those who have spouses covered on the BCBS Health Insurance Plan may receive a discounted health insurance premium rate by completing a biometric screening. The requirement to complete a biometric screening was waived due to COVID for the past two years, but as previously mentioned it will be required to receive a discount on your 2023 premium rate. To assist employees and their covered spouses with completing a biometric screening the BWW has contracted with Onsite Health Diagnostics (Onsite) to provide the following services:

- Laboratory Referral Program – opportunity to complete a biometric screening at certain designated LabCorp locations
- Physician Referral Program – ability to receive a biometric screening form to be completed by your physician (**if you have already had a biometric screening at your physician’s office in 2022 – you can ask them to complete this form – you would not have to complete another screening). Forms will have to be uploaded to the site below or faxed in to 1-469-369-1419. If you choose to use your personal physician, the form must be uploaded or faxed by Tuesday, November 1, 2022.

All retirees and covered spouses will need to register with Onsite to utilize one of the above services. Onsite will provide participants with a report of their individual results and will provide the BWW with only aggregate results (no individual health results) for the company and whether a retiree and/or retiree spouse completes a biometric screening so you can receive credit on your 2023 health insurance premium rate.

To register with Onsite please go to: <https://phmp.onsitehd.com/signup/bwwb> Your Employee ID is your SSN with no dashes.

Please contact Joyce DuPree (205-244-4153) or Sonja Patterson (ext. 205-244-4151) if you need assistance.

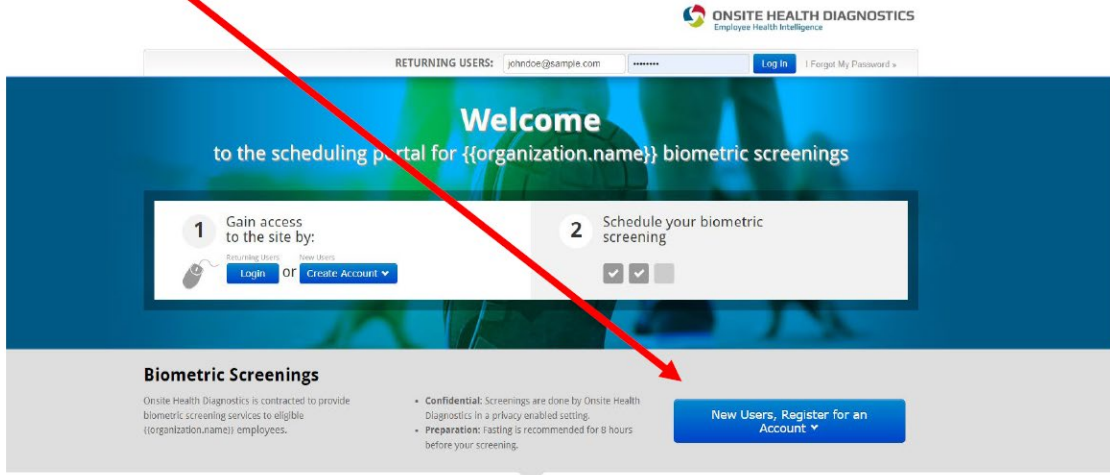

Thank you,

Joyce DuPree
Assistant HR Manager

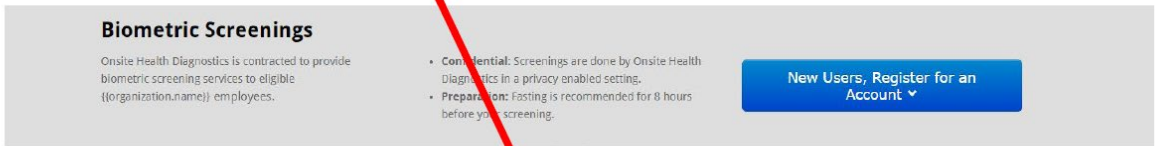

GETTING STARTED

NEW USERS

1 Select here to register/create a user account

2 Complete form below then **Save & Continue** (Please be sure to complete all boxes labeled "Required")

RETURNING PARTICIPANT LOG IN

1

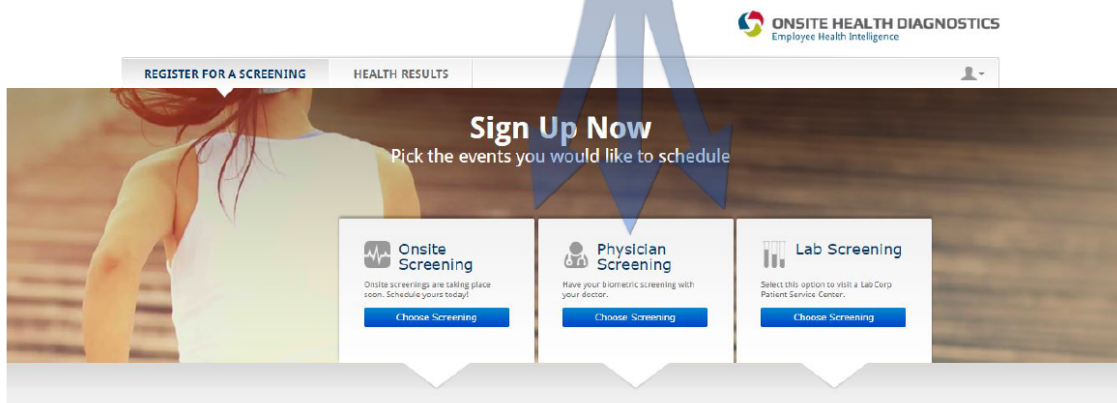

Enter email and password below and click Log In or click “I Forgot My Password” and enter email to reset the password.

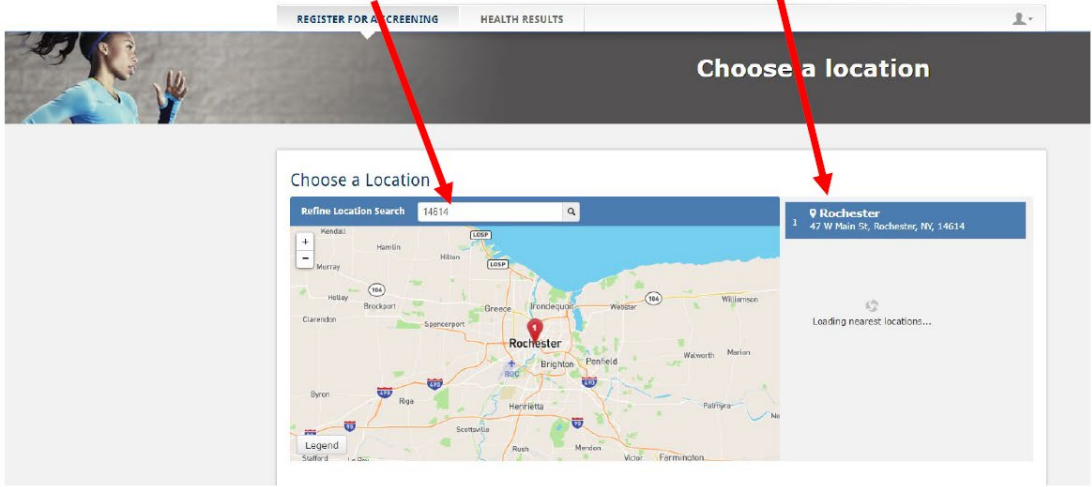

REGISTER FOR A SCREENING

SELECT YOUR SCREENING OPTION (Click the Blue Box “Choose Screening”)

- 1) **Onsite Screening** – these will be screenings that are performed at a company’s designated screening location(s).
- 2) **Physician Screening** – select this option if the user is unable to attend an Onsite Screening to have their physician perform the biometric screening.
- 3) **Lab Screening** – select this option if the user is unable to attend an Onsite Screening and visit a LabCorp location.

1 Displayed are the location(s) where the onsite screening(s) are available below. The user may also enter their ZIP CODE in the box "Refine Location Search".

2 Select the date and time below, the system will list all the dates and times that are currently available. Please note that some sessions may be full, if so it will state that the "Registration is closed for this event".

3 Click Schedule.

Instructions for choosing a location, date & time

- 1** First, choose a location. Enter your zip code and zoom in by using the "+" button. Location options will be noted by the blue pointers or yellow circles on the map. Click on your desired location and available times will appear below the map.
- 2** Then, choose a date & time. Find the time that works best for you. To see more options, click on the arrows next to "more times." Click on a desired time to highlight it. Then, click on the "Schedule" button.

2 Select the date and time below, the system will list all the dates and times that are currently available. Please note that some sessions may be full, if so it will state that the “Registration is closed for this event”.

3 Click Schedule.

The screenshot shows a web interface titled "Choose A Date & Time" for the location "Rochester, NY". The interface lists dates from May 10, 2019, to May 22, 2019. For dates May 10-13, 2019, it states "Registration is closed for this event." For May 20, 2019, available times are 7:00 am, 7:15 am, 7:30 am, 7:45 am (highlighted), 8:00 am, and 8:15 am. For May 21 and 22, 2019, available times are 12:00 am, 12:15 am, 12:30 am, 12:45 am, 1:00 am, and 1:15 am. Each time slot has a "more times" button with left and right arrows. A red arrow points from step 2 to the 7:45 am slot, and another red arrow points from step 3 to the "more times" button for May 20, 2019.
