Welcome to the 2024 CPSRA Championships! We hope the information below ensures that all competitors and families have a great experience. Please review all the information in this handout and on www.cpsra.org. If you have questions, please ask your team's coaching staff.

Please note that failure to follow instructions from regatta organizers and volunteers, DEEP employees, and all safety professionals or failure to treat them in a courteous manner may result in ejection from the park and may impact the related crew's ability to race on the course in the future.

The address is Lake Waramaug State Park, 30 Lake Waramaug Rd, New Preston, CT 06777.

RIVERFRONT RECAPTURE

Parking
Please follow DEEP directions for parking. There is NO PARKING on Waramaug Road. DEEP will let you unload near the tent area and then you must park where instructed. Please follow their directions and do as they ask. Provided

separately is a map of the parking area around the golf course. Please print this out and bring it with you, as it can be difficult to navigate without GPS given the spotty cell-phone service.

Shuttle Bus
There will be three shuttle buses. Starting at 8am, mini school buses will drive along the race course, then up and around the golf course back toward the start. There will be "Shuttle Bus" signs along the way, so the drivers know where to stop. Also, if you need to, you may be able to flag a driver down. Spectators, please take advantage of this service.

Food Tents
The support of parent groups is part of what makes the CPSRA Championship Regatta special. All teams are very grateful to their parents. In the last few years, due to the muddy banks, we had everyone keep their tents closer to the road and away from the bank. It worked very well in protecting the banks of the lake. We also found that it allowed for better viewing for all teams, because tents are not along the race course.

- Tents from the finish line towards the start line must be set-up close to the road on the hill. Tents are not permitted near the bank or shoreline of the lake.
- From the finish line to the launching/landing docks, you may be near the lake as it is not as muddy. Be cautious.
- There is a regatta on the same course on Saturday. So, if you are planning on setting up early, please wait until this regatta is over.

Port-o-lets
We ask that you use the port-o-lets that are provided throughout the park. DO NOT USE, for any reason, the bathrooms in the campgrounds or by the boat trailers.

Garbage Dumpsters
Please make sure that you either take your garbage home or use the dumpsters provided. There are extra dumpsters throughout the park - both for trash and recycling. Please use them appropriately. If full, take your garbage home.

CPSRA Shirts & Stickers
Official CPSRA Championships shirts will be $25 and stickers will be $5 each. The shirt tent will be set up near the finish line. Funds raised help cover regatta costs. Please note, because of the weak cell-phone coverage, we cannot take online payment. Thank you!

Thank you!
Thank you, again, for making this regatta an outstanding day!! We would also like to also thank all our regatta sponsors! Their support helps make this event possible!
