### WHO WE ARE AND WHAT WE DO

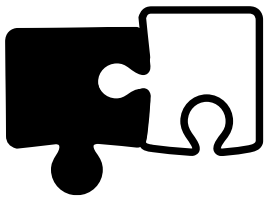

#### OUR BACKGROUND

Established as a 501(c)(3), the **Beeville Education Foundation (BEF)** has developed a quality educational program that provides students with enrichment, acceleration, and attention to special needs. Sustaining excellent educational programs and services requires technology, laboratories, cultural experiences, up-to-date occupational and technical equipment, resource materials and, primarily, outstanding teachers.

#### OUR VISION

The Beeville Education Foundation partners with the community to inspire and empower Beeville ISD students and educators.

#### OUR STRATEGIES

Fund distribution, foster collaboration between stakeholders, and maximize and complement district resources.

#### FUNDING PRIORITIES

- Strengthen and enrich learning through the development of innovative programs
- Support additional training and resources for educators of Beeville ISD
- Provide the tools to prepare students for future success
- Inspire parents and community members to participate with the school system to enrich education
- Build community support and positive attention to Beeville ISD
