

CAMPAIGN UPDATES & NEWS

Working smarter, working harder, working together

October 20, 2022

Platform Highlight:
**PUBLIC SAFETY &
FIRST RESPONDERS**

The security of our communities is a top priority and I back our law enforcement officers 100%. This includes supporting the allocation of resources for mental health professionals and social workers so that they can work with law enforcement and take on non-emergency calls. In turn, law enforcement officers are able to focus on their primary jobs of fighting crime, which makes our neighborhoods safer for all.

It is also imperative that our communities have the funding and resources necessary to provide their own fire and EMS services. After all, fire and health emergencies can happen anywhere and the faster rescue services can reach our doors, the better. Thus, I will fight in Madison to keep our taxpayer dollars local and work with our towns and villages to ensure emergency services are available and at the ready for when we need them.

A Note of Thanks and Gratitude

We are pedal to the metal for these final 19 days until November 8th (yikes, 19 days!). But we want to take a moment to thank each and every one of you for your continued support and well wishes. Truly, democracy takes a village and all of you comprise the best village in the world.

So while we still have a TON of work to do, including many doors to knock, signs to display, T-shirts and soccer jerseys to disburse, and Brienne's message to get out, we just have to pause and say how much we appreciate everyone. It is you who keeps us going and it is your support and efforts that will make a positive difference in our communities. And from the bottom of our hearts, we thank you. ❤️

Where's Brienne Been?

With less than a month to go until Election Day, Brienne continues to press full steam ahead. This week, she interviewed with the *Beloit Daily News*, spoke at the Town of Turtle board meeting, raised a glass at Elkhorn's Oktoberfest, sat in on a listening session hosted by Wisconsin's Poor People's Campaign, attended Janesville's Pride in the Park, participated in the Common Council meeting in Whitewater (as a Councilmember), canvassed multiple neighborhoods throughout AD31, and squeezed in some hiking (and enjoyed the beautiful fall colors!) as part of the Ice Age Trail Alliance's Mammoth Hike Challenge 2022. Another full and productive week!

In Case You Missed It...

Extra! Extra! UW-Whitewater's *Royal Purple* newspaper recently featured an article about Brienne. [You can read all about her here.](#)
