Exalted mountains of wisdom
stretching above into the horizons
of knowledge
- this is our staff.

Unbelievably we glare upon these heights
sealing the hillsides
of education.

We neither look back, nor do we stop

**When's the last time
we missed school?**

To the dismay of most kids, schools rarely close because there's no electricity.

Your school relies on us for electricity just as much as you do at home or on the job.

But keeping electric service reliable costs more these days.

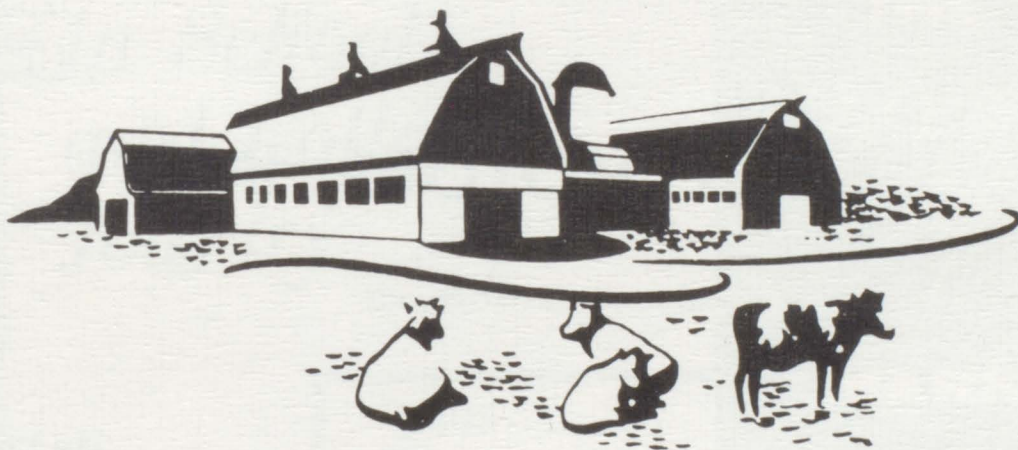

We rely on you to understand this.

Just as you rely on us to keep your electric service up to the same standards you've always known.

JUNIOR-SENIOR PROM

For the Juniors, it may be a time of looking ahead, contemplating, and preparing for their journey of a lifetime, which will soon become reality.

For the Seniors, it is a time when memories shared by everyone are renewed - memories that will everlastingly be kept in their hearts. It is also a time when Seniors bring to mind their new independence, the challenges that lie ahead for them, and the sadness of leaving friends behind.

But most of all, the Junior-Senior Prom symbolizes a time when people gather and enjoy the beauty and fruitfulness of life.

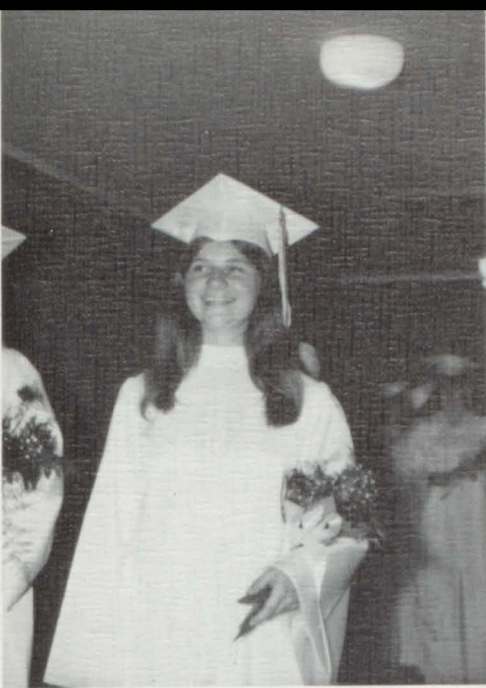

GRADUATION was the event we looked forward to with joy and anticipation yet sadness in leaving friends and memories behind us.

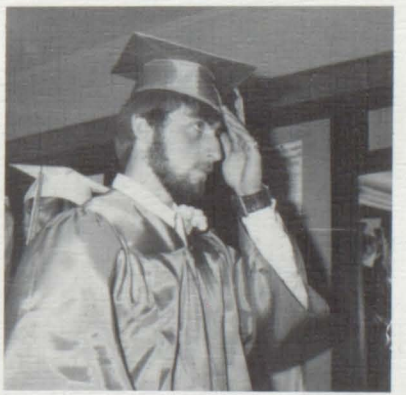

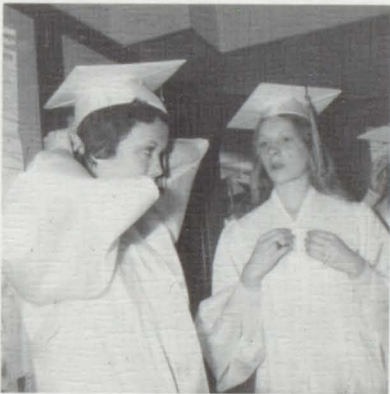

The way is long
- let us go together.
The way is difficult
- let us help each other.
The way is joyful
- let us share it.
The way is ours
- let us go in peace.
The way opens before us
- let us begin . . .

May the future
glow like dawn before us.
May the past
be a source of understanding.
And may we always
live in the present moment,
aware and awake to its possi-
bilities.
