SENIORS

Since our first step onto the school bus to our final march down the Wisdom Gym the Senior class of 1990 has been through a great deal.

We have made many memories along the

way; four years of winter carnival; eighth grade graduation; outrageous class parties and fundraisers.

Now it is time to go our separate ways and face the world on our own. There is no

turning back. With our heads held high we walk towards our goals and dreams ready for this new challenge.

CLASS OF 1993

The Freshman class has displayed top notch school spirit. With effort and commitment to their class, the students of the class of '93 have accomplished goals that have rarely been accomplished by other classes.

"Astonishing" says Mrs. Elaine Cyr, who is

the Freshmen class advisor. "I've never seen a class quite like this one." The attitude and general appearance of the class of '93 through the school year and during the winter carnival season has won them victory over the fourth place sophomore class. Also having good spirit

won them the sportmanship award.

In the future the class of "93" hope to continue to achieve high goals as a sophomore class.
