## SENIORS 1999

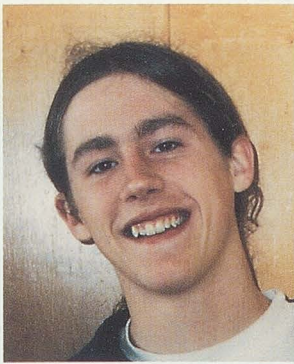

The Class of 1999 has had its fair share of labels, adversity, and tough times. But through it all, we have managed to remain a close-knit, fun-loving, and diverse group. The last few years have been a test of the bond that holds us together. Despite our differences, we always seem to set them aside in the name of hard work, good times, and great friendships.

Who can forget the times that have shaped our high school years? Winter Carnival, fundraisers, sports, drama, clubs, class trips, and oh yeah, there were a few classes thrown in somewhere in there.

Through the next few years in college, the military, and the workforce, we'll be able to put into use all the skills and knowledge we've attained over the years. The Class of 1999 definitely has the attitudes, motivation, and experience to succeed.

# JUNIORS

Wow, what can we say? Once again this year we had to find another advisor because we were advisor-less. Then Mrs. Nancy Troeger stepped in and volunteered her time and herself to us. We would like to thank her for all the work she has done.

Many of you think of us as a class that would never get along through the years everyone has learned to accept our differences. Which in one way has made our class as a "Whole" that much more special.

The class of 2000 has just one year left of high school at wisdom.

Boy, has it gone by fast! We thought we'd never get through it, but here we are.

We have shared many exciting memories together. For many of us we will never forget winter carnival 1999. The kick-butt sculpture, song, sportsmanship award, our 10th grade class trip to Old Orchard Beach, Mrs. Ann, the chaperones that we will love forever, the many pick-ups that have left our guys on foot, and the friendships that have grown throughout the years. Trust us, with our class, there will be a lot more memories.

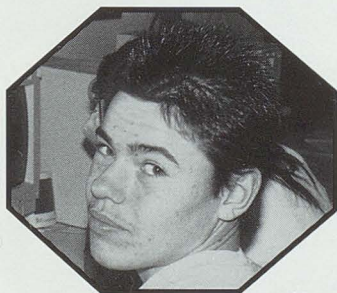

I would just like to leave you with this,  
"I live for those who love me, for those who know me true;  
For the heaven that smiles above me, and awaits my spirit too;  
For the cause that lacks assistance, for the wrong that needs resistance,  
For the future in the distance, and the good that we can do."

# *Student Leadership Team*

## *1998-1999*

Senior members: Christy Tisdale, Peter Dinsmore and Sebastian White

The Student Leadership Team has been in existence for eight years. In September, the ten present members gave interviews to several students who wanted to work on projects for this school year. Students were asked to review the MSAD #33 vision statement and reflect on how they, as students, could benefit the team and improve the school.

This year we got many ideas on how the school should be improved. Four students were selected as team members. One new member gave us valuable ideas before she moved to Fort Kent.

The Student Leadership Team sponsored an AIDS/HIV Day at Wisdom on December 1<sup>st</sup>. Student Leadership Team members gave mini workshops on AIDS and HIV during English classes on December 1 and 2. Several students commented that they had learned from their peers, instead of teachers.

Four members attended the State AIDS/HIV Conference in Orono in December, and came back with valuable ways to continue educating our students about staying safe.

In March, eight students, along with Mr. Lester Michaud and Mrs. Andie Labbe, traveled to the Samoset Resort in Rockport to meet with other Peer Helpers at the State PROP Peer Leadership Conference. They participated in many workshops, ate great food and attended the supper/dance with more than five hundred other students from all over the State of Maine. With help from this conference, the Student Leadership Team produced its own Wisdom Workshop Day for students, grades 7-12. Topics included AIDS/HIV, Diversity, School Violence, Stress Management, College Preparation, and Self-Esteem.

The last accomplishment of the year was a Hot Lunch-A'La Carte Survey for grades 7-11. The results of the survey will be used to form the lunch program for the next school year.

Members of the Student Leadership Team this year have been: Seb White, Peter Dinsmore, Christy Tisdale, Nikki Ouellette, Jenny Ouellette, Erica Cyr, Mariah Michaud, Joy Gervais, Shelly Chasse, Kristy Dubois, Courtney Lugdon, Tasha Bourgoin, Heather Michaud, Danielle Ouellette, and Diane Barry. Advisor has been Mrs. Andie Labbe.

The class of 2002 is a very different group. We're very independant, and like to do our own things. We don't all participate in all class activities, but when we need the class as a whole, we come through.

We all like and participate in different activities. Some people like sports, music, art, drama and others don't like any these but have their own activities. Even if we don't all like the same things we all get along and learn things from each other.

At the begining of the school year most of us were a little nervous and maybe scared of what this year would bring. Now, we're ready for the next three years of high school and whatever problems we have we'll solve them as a class.
