Wisdom Ski Team

-Senior Sarah Pardis says, "Skiing was an amazing experience. I fell in love with the sport. The rush of being in the start gate is something I cannot explain. It is a sport that I wish I had started my freshman year. But overall it was awesome, especially spending it with Taylor!"

-Taylor Hobbs Quotes PEK, "I used to think that I loved to ski race. Now I realize that racing was merely a medium for me to realize who I am, and what i could become; and more importantly, what it takes to get there." -

This year Wisdom hosted a Costa Rica trip giving students the opportunity to explore a different culture. They visited many beautiful landmarks, tasted many different foods and lived a Costa Rican life for 7 days. They also got to zip line, horesback ride, and swim in hot springs! This trip was the experience of a life time, and the group was amazing!

"This year's soccer season has been one to remember. We didn't end the season the way we would have liked, but overall I wouldn't change a thing. I greatly enjoyed working with this year's group of guys and I wish you the best of luck in the seasons to come."

"Soccer has taught me a lot from how to be a team player to how to give everything you have for something. I wish the team luck in the years to come. You have a lot of talent and can go far! Always remember, there is a difference between having heart and showing it, don't waste it." - Chris O.

Girls Soccer

This soccer season, the girls brought in their first win since the '09 season. They won with a 5-2 score. This win against Hodgdon was a big accomplishment especially for the seniors who hadn't seen a win in a long time. The photo to the left is a snapshot of their celebration at the end of the game.

■ "It was amazing to win, but most of all to have fun and to have played like a team." - Chantel B. ■
