Induction Ceremony

The week before the Holidays, NHS sponsored "Deck The Halls", where each class spent time decorating their designated hallways.

The Penny War is a fun and easy way to raise money for the NHS' service projects throughout the year.

NHS sells ice cream during lunch at least a few times during the year. They do not raise much money, but who doesn't love ice cream?

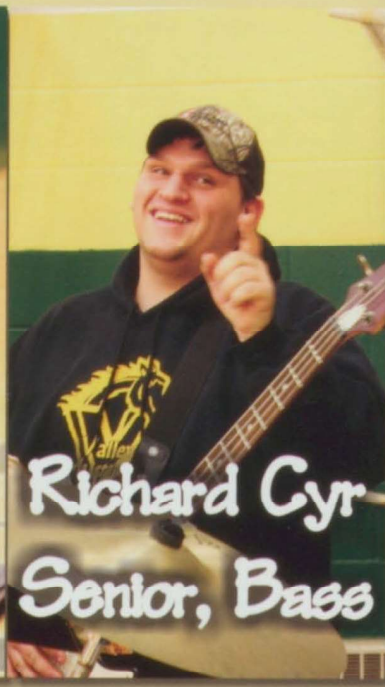

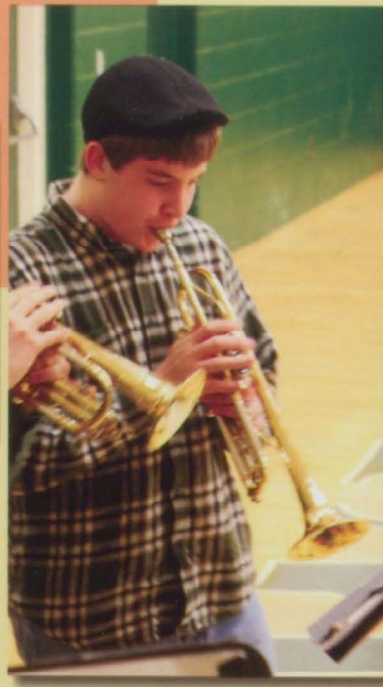

Due to the uncooperative weather this year, NHS created fruit baskets instead of wreaths. These are made and delivered to families who have undergone hardships during the year.

Meet Me At The Barn 2013

In 2013, the prom was stripped of all its night club themes and was brought back to a simple, rustic style. With lace and burlap accenting all the decorations, it made for a beautiful night. The rain may have dampened the car parade, but inside, the dance floor was heating up.

Soccer Playoffs

The Wisdom boys team hosted the Central Aroostook Panthers for their preliminary game. Finishing their regular season with a record of 9-4-1 was reassuring to them, but having not met CAHS in the regular season led them to not know what to expect. The first goal was scored by CAHS but senior Shane Chamberland answered with a goal of his own only 26 seconds later. The game-winning goal was also scored by Shane in the second half leading the Pioneers to face undefeated Bangor Christian.

October 30th marked the day of the senior's final soccer game. In this game, against Bangor Christian Academy, at their field in Bangor, was the hopeful ending of a long dual sport rivalry. This would not be the case and our Pioneers ended their season with a 10-5-1 record. The final score was 4-0 and Chance Gervais walked away with 15 saves.

"If you wanna go far in playoffs, you need to be a family... not a team."

For the first time in a long time, both the Wisdom boys and girls varsity soccer teams reached the preliminary round. Both teams were wishing they could be there to support each other, but had to settle for being there in spirit.

2011 Wisdom graduates, Kyle Daigle, pictured above, and Kody Chamberland attended the boys' quarterfinal game. You could tell by their sideline "coaching" intensity, the two wanted nothing but a win for the boys team.

A Season of Improvement

The girls soccer team has fallen short of playoffs every year since 2006, but this past season was different. The girls inched their way into prelims when they upset the Van Buren Lady Crusaders on their home pitch. A goal scored by Kelsey Banville late in the second overtime prolonged Wisdom's season and left the crowd and parents speechless.

The girls would now travel to Howland to play 4th-seeded Penobscot Valley High School. Initially intimidated by their 13-1 record, the Pioneer girls quickly realized how evenly matched the two teams were. The first half of the game was scoreless. Both teams came out strong with PVHS finding the back of the net mid-way through the second half. Unfortunately, the game would end with one goal on the scoreboard, but the Lady Pioneers were extremely proud of their season!

For most of the varsity girls team the soccer season did not end at their final game. There was no question....They would not be missing another boys playoff game.

Goals for the season:

- 1 Win the senior game against Limestone
- 2 Beat VB in their senior game.
- 3 Make Playoffs.
- 4 Receive a banner.

Volleyball is an extremely relaxed sport here at Wisdom. The players get together after school each day to just play and have fun. The sport is unlike any other here at Wisdom because there is only one competitive day for each team. For the second year in a row the girl's team finished in third place and the boys came out with a fourth place finish.

Baseball

Wisdom's baseball team had an extremely successful year; making it all the way to the semi-final game held at Husson University. Our boys played on their first ever turf baseball field, with a bus full of fans cheering them on. Unfortunately, our Pioneers lost to repeat state champions, Bangor Christian. Losing only three seniors, this loss will surely be used as motivation to make it all the way in the 2014 season.

Pioneer Ski Team

Out From Behind The Desk

At the beginning of the school year, Wisdom's Science department was pleased to have Mrs. Theriault (on right) join the team. She jumped in, taking over Envirothon and a heavy schedule of classes. Her passion and energy helps kids stay engaged, making learning fun.

This year Wisdom welcomed a new English teacher, Mrs. Albert, who took Ms. Daigle's place. The two English teachers at Wisdom, Mrs. Albert and Mrs. Thibeault, work hard to enforce AR deadlines and expose us to Shakespeare and Poe. When they are not grading essays or planning the next project, they are both proud supporters of Wisdom students.

Mr. Blais may be new to the school, but he has not gone unnoticed. His math lessons can be heard down the hallway. His classes utilize tools, such as, the Smartboard, Khan Academy and IXL, which help students work at their own pace and expand their learning.

Aside from teaching us what we need to know to pass the PSATs, SATs, and be ready for college or career, the teachers and staff at Wisdom High School are willing to do whatever they can for their students. An example of this is planning and putting on Winter Carnival activities.

Congratulations Kate!
- The Lavoies

"May passion be the wind That leads you through your days And may conviction keep you strong Guide you on your way May there be many moments That make your life so sweet Oh, but more than memories I pray that God would fill your heart with dreams And that faith gives you the courage To dare to do great things I'm here for you whatever this life brings So let my love give you roots And help you find your wings."
So proud of who you are...love you bug.
