Middle School

CAMP KIEVE 2001

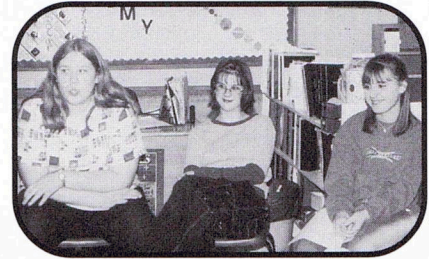

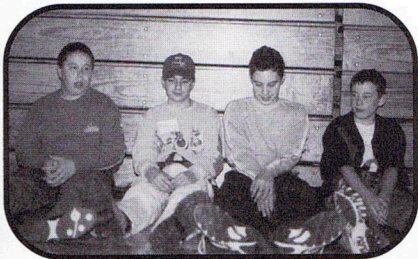

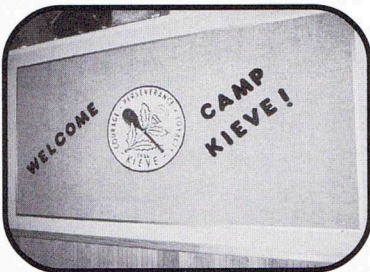

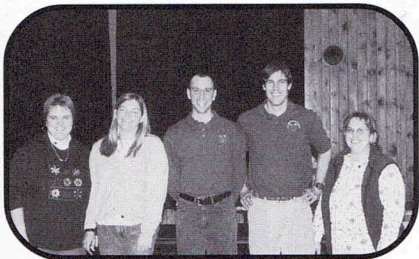

MSAD #33 has been part of a research project which has allowed this year's 7th and 8th graders to benefit from the Camp Kieve Outreach Program experience.

Respect
OTHERS

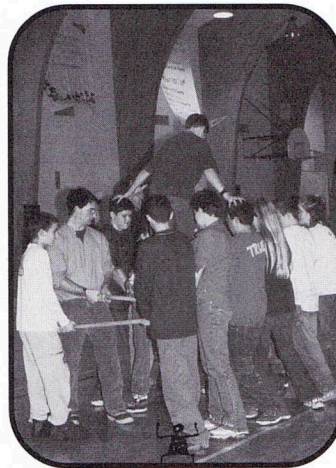

The 8th grade class has completed their program by using the skills they have learned. A few of those skills are communication, relationships, tobacco prevention, drugs and alcohol, harassment, and adventure. The 7th graders concentrated on learning about how to trust other people and developing a

support system, dealing with harassment, and utilizing ways to keep away from drugs and alcohol. These workshops encourage students to face other challenges they may be having in their lives by realizing that they have a good support system in their classmates, teachers, and parents.

Cast and Crew

A

M

The drama cast and crew are back once again with another excellent play! This year's performance is called "The Handicapper General," which involves a futuristic view of life.

Everyone has some type of handicap that they deal with throughout their lives. The play was created to take a good look at ourselves, while reflecting on how we look at others. Thus, making everyone appear the same through the eyes of the audience.

With Jessica Dumond and Nick Patterson by the drama crew's side they went to competition, and came back with two awards for the best in character. Achieved by Ryan Dymont and Heather Michaud.

Chorus Pose

Conductor:
Mrs. Ayotte

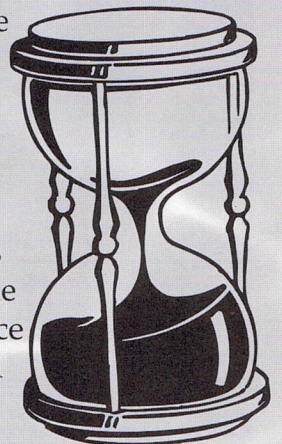

C H O R U S

This year we kicked off with many new courses and one of them happened to be chorus.

The members are Pam Michaud, Kayla Sinclair, Lindsey Cyr, Samatha Ramelli, and Destiny Garcia.

This brand new five member team is headed by Mrs. Helen Ayotte who plays the piano for the members to sing and practice with. She is very enthusiastic about taking on this brand new course and she has many plans for the chorus members. They are very creative and eager to learn the contemporary and traditional songs placed in front of them.

Kayla Sinclair, the 7th grade chorus member, was selected to participate in the all State Choral Performance at the Caribou High School Theater.

Boys Varsity Soccer

The 2000 Boys Varsity Soccer season was a great one. The team won 6 games, lost 10, but the way they see it, they won them all. Lots of the players finished the season with improved skills, new friendships, and a better outlook on sportsmanship was made. The team consisted of a diverse group of boys, all of whom contributed to the team with their individual skills and/or attitudes. Everyone put a lot of time and dedication into the team, and now, other teams will know that they can't just walk over the Pioneers.

Boys Varsity Basketball

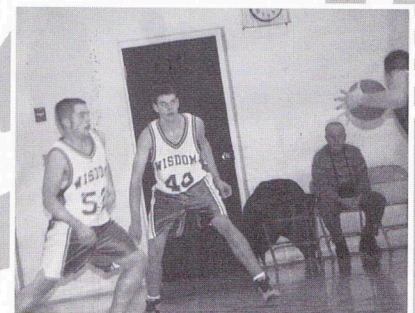

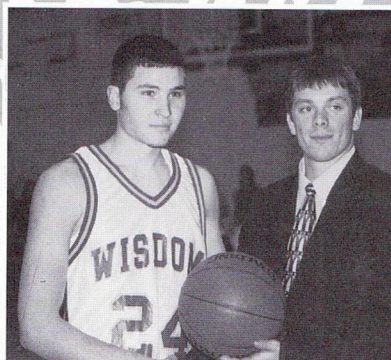

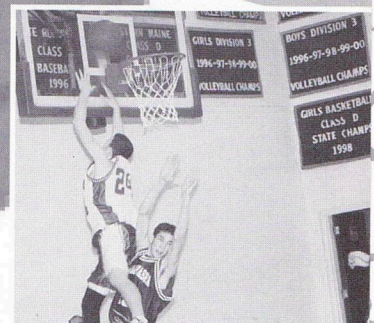

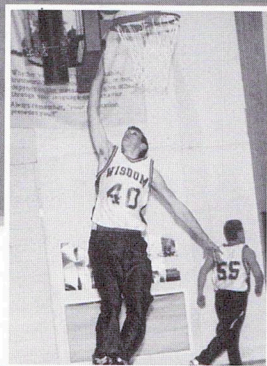

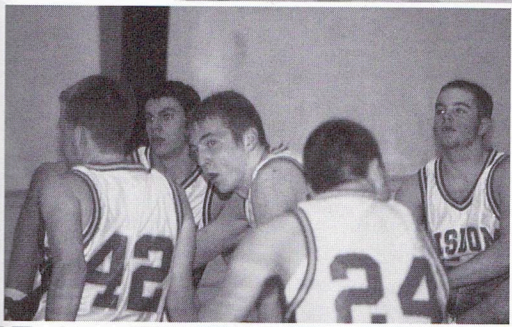

This year's 2000-2001 Basketball season has had its ups and downs. We had a slow start, but have picked up the slack and started playing as a team and won some of our big wins. Our turning point of the season was our game in Easton. Even though we lost the game, we still played with alot of heart. We finally played to our full potential. In our final game against the Southern Aroostook Warriors, we had a dissapointing loss that ended our season. We finished off the year with a 10-10 record.

Varsity Girls Soccer,

The season has been a time for rebuilding and growth by losing five seniors and gaining six freshmen. All incoming freshmen have excellent athletic potential and have made this season one of the best. We all had fun during the after season party at Mim's house. We shared our personal stories of the season.

I encourage everyone to participate in next years season. I believe that you will achieve your goals soon enough!

Love always,
 Nina Michaud.

Girls Varsity Basketball

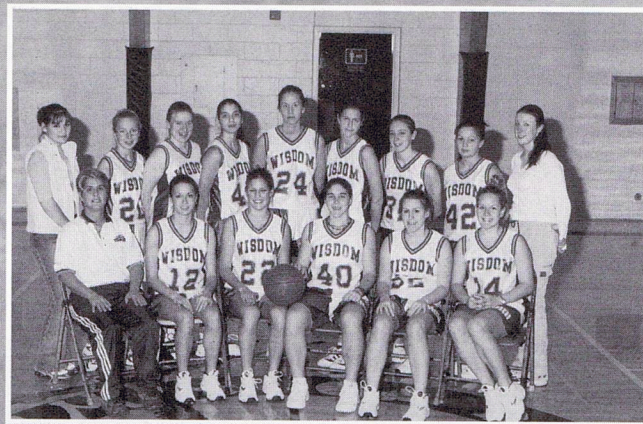

Varsity Girls Basketball,

It's always interesting to see what kind of players you'll have to begin a new season. You wonder if this is going to be the year when you win it all.

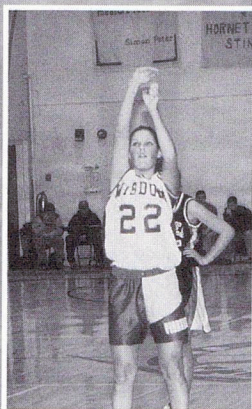

Basketball is a sport that is quite physical and takes a lot of determination and teamwork. During my four years in high school I can honestly say that I've loved playing basketball with all my friends. Along with the ups and downs it's like having another whole family. I'll miss my coach and all the players, they'll always have a place in my heart, and always remember there's no I in TEAM!

Love always,
Nina Michaud

J.V. GIRLS BASKETBALL

This years J.V. girls team had a good year. We had a young team with three sophomores and eight freshmen. You can see we were young, but good. We played our hearts out and had a great time. It was also tough with six swingers. Great season girls!

GIRLS VARSITY SOFTBALL

Our softball team's season started off on the right foot. The team consisted of four seniors, three sophomores, and five freshmen. Coming together to work as one became a challenging task, but it wasn't anything we couldn't handle. We finished our season with a 9-4 record. We showed great potential as we pulled together entering playoffs in second place. We knew that if we worked hard enough and worked as one, anything was possible.
