Just Because...

Mrs. Kathy Theriault

Mrs. Kathy graduated from Wisdom High School in 2003 and went on to pursue a Bachelor of Arts degree in Secondary Education from the University of Maine at Fort Kent. Mrs. Kathy started teaching Special Education at Wisdom in 2007. She married the love of her life in 2005 and had three beautiful children; Josh, Joe, and Juliette.

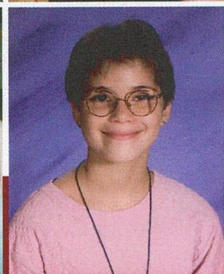

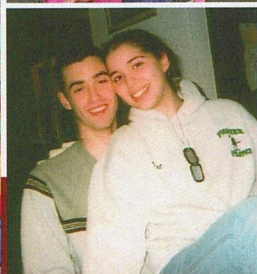

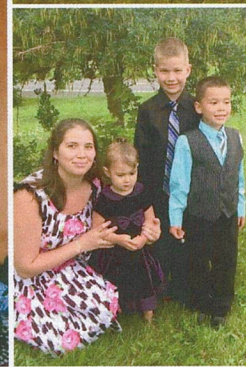

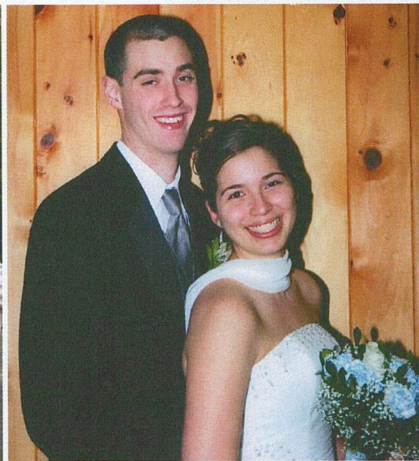

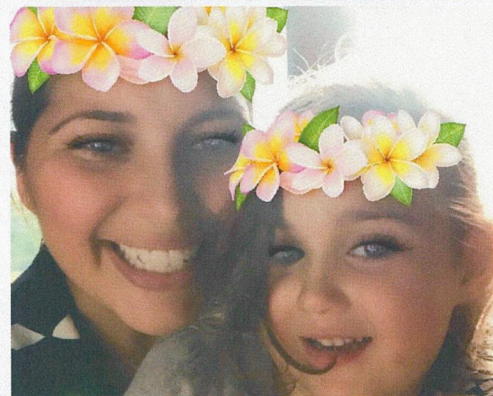

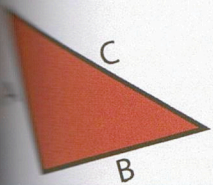

Since 2014, she has been a member of the Gear Up College Access Team (CAT) and is an important part in planning everything at Wisdom, especially Winter Wellness and Gear Up events.

Mrs. Kathy has helped many of us with our pre-college preparations in one way or another. She has made an impact on all our lives with her infectious (and possibly abnormal) love of math. Some of us were so affected by her dedication to being an educator that a few students have started to call her "Mom". We may have complained too much, but without her, we wouldn't have gotten through anything. Thank you for all that you do.

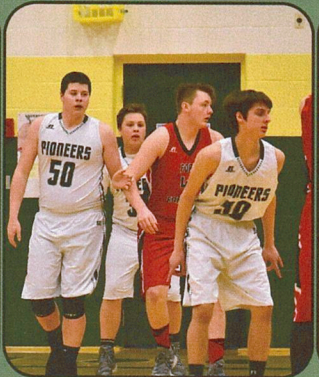

"Eventually, all pieces fall into place. Until then, laugh at the confusion, live for the moment, and know everything happens for a reason."

- Albert Schweitzer

Boys Volleyball

The Pioneers went to the tournament in Fort Fairfield eager to make their school proud. They started off the tournament with a win against Hodgdon. The next match quickly turned things around for the Pioneers when the team captain, Mason Sirois, broke his ankle. Despite losing an integral part of the team, the boys had to keep playing through the many matches up ahead. The Pioneers fought hard in every match and never gave up. They worked together and believed in each other, even though they were behind in points. This is what brings pride to our school - sportsmanship!

Girls Volleyball

Last year, the Lady Pioneers had only one win at the tournament. This year, the team came in with something to prove. After winning their first 5 games, the Lady Pioneers were on the top of the scoreboard. Unfortunately, they lost the last two games putting them in 3rd place. Despite these 2 losses, the Lady Pioneers made their way to the playoffs! The girls lost to Ashland in the semi-finals, finishing in 3rd place. Even though the girls didn't bring home the Aroostook League Championship, they made their school proud.

GIRLS SOCCER PLAYOFFS

On a windy late October day, the 8th seeded Wisdom Lady Pioneers hosted the number 9 seed Washburn Lady Beavers at their first home prelim game in recent years. The two teams met during the regular season, with each team taking a win. This would definitely be an even match-up. The game started with the home team having the wind at their backs, effortlessly pushing their play into Beaver territory. The Pioneers took a 1-0 lead about 20 minutes into the first half with a goal from Raya Ringuette. The girls continued to stop the Beavers' attack. Keeper Alyssa Banville had a handful of saves throughout the first half. Halftime came with the Pioneers still leading 1-0. Coaches Kevin and Brandon Lavoie prepped the girls for a tough second half, because the wind was now their disadvantage. The Pioneers came out strong, but it wasn't enough to hold off the Beavers. Washburn quickly brought the offensive attack, and ended the game after putting 4 goals in. After giving it their all, Wisdom wrapped up their season at a respectable 7-8-0.

Valley Mustangs

Brianna Thiheault

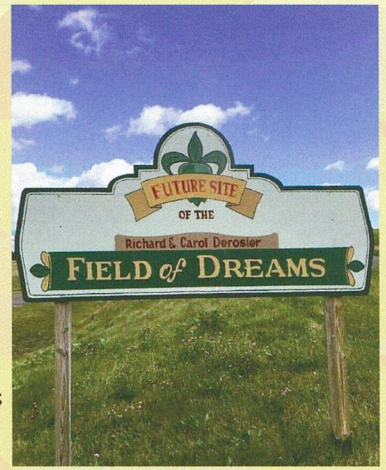

Brianna has decided to follow in her brother's footsteps and joined the Valley Mustangs.

'As I sat with Dick in his restaurant in 2011, discussing the possibility of creating a field in this location, his familiar response was, "If it's for the kids, I'm all in." He and Carol were always actively involved in the support of youth athletics and he wanted this gift to represent their legacy. This is just what we've accomplished. We are appreciative of the late Dick and Carol's generosity which has allowed the fulfillment of the Field of Dreams. This undertaking would not have been possible without the involvement of many various businesses and community members whose contribution of time, talent, and resources culminated to the successful completion of this project.'

-Kevin Lavoie

Dick and Carol Derosier's legacy will be rooted in the community for years to come. This Field of Dreams is a token of generosity that will be appreciated by present and future Wisdom High School athletes.

Gear Up/MELMAC

"The GEAR UP Maine program identifies & assists students & families from economically disadvantaged backgrounds starting in grade seven to aspire to, prepare for, enroll in, and successfully complete a post secondary education" - Gear Up Maine
The MELMAC grant provides students in grades 7-12 with the resources to successfully graduate high school and be prepared for post secondary education. These grants increase student success and enrollment in some form of higher education. Another mission of the two grants is to make students aware of their options for education and career after high school.
