PIONEER

Dedication

Lora (Cyr) Albert was born on May 18, 1988 to Lynne and Denis Cyr. She grew up in Fort Kent, ME, along with her three siblings, Kayleigh, Davis, and Devon. In 2006 she graduated from Fort Kent Community High School. That Fall, she attended the University of Maine at Farmington and graduated four years later with a major in Secondary Education - Biology. Her first teaching job was in York ME, at York High School teaching Chemistry and Biology for 5 years.

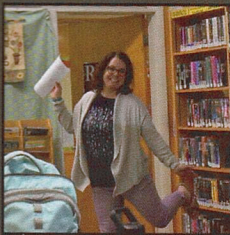

Mrs. Lora moved back home in 2015 where she accepted a teaching position at Wisdom Middle/High School as a high school math teacher. Half way through the school year, she transferred from the math department to the science department where she is still currently teaching. That same year, she also started dating Jordan Albert, the love of her life. On August 1, 2017 they were engaged and married one year later on August 3, 2018. On December 14, 2019, as an early surprise, they welcomed the newest member of their family, Demi Marie Albert. When she's not teaching, she loves to be outdoors. She enjoys hiking, swimming, traveling, and spending time with her family.

Among her contributions to our school community, she runs the clocks for the soccer games, manages the home book for the basketball games, and manages the Snack Shack. Mrs. Lora has also been the advisor for the Class of 2020 since their freshman year. It wasn't hard choosing who to dedicate the 2020 yearbook to. Mrs. Lora has been there for us since the beginning and has helped us get to where we are now. Whether teaching us about cells in Biology or cheering on our class during Winter Wellness, she is always there supporting us to make sure we're doing the best that we possibly can. Thank you for so many fulfilled years, you've been the Marigold in our lives.
