MRS. KATHY THERIAULT

In 2003, Mrs. Kathy graduated from Wisdom Middle/High School and in the fall attended the University of Maine at Fort Kent to pursue a Bachelor of Arts Degree in Secondary Education. In 2007, Mrs. Kathy came back home, teaching Special Education at WMHS. Mrs. Kathy married her wonderful husband, Jay, in 2005 and had three lovely children: Josh, Joe, and Juliette.

Mrs. Kathy has always had an important role at Wisdom, including the Gear Up MELMAC College Access Team (CAT), Winter Wellness, and class advising. She cares deeply for all of her students and prioritizes their happiness and the needs of the school. Mrs. Kathy has helped many students with pre-college preparations and made sure we succeeded in everything we do. We admire her for her generosity and the kindness that she shows all of us.

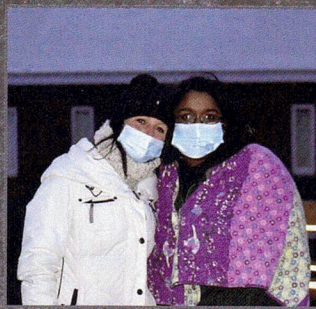

Mrs. Kathy is known for her contagious smile and making her students and the staff feel loved and appreciated. She is always making jokes about her immense obsession with math and always keeps things enjoyable in class. Without Mrs. Kathy, we would have struggled getting through the rough patches that occurred this past year. She has made an incredible impact on our hearts and lives with her infectious laughter, insane amount of school pride, and positive attitude.

Whether remote learning or sitting six feet apart with masks on, Mrs. Kathy always finds a way to encourage us to do our best in all things and keep a positive attitude. Thank you for everything you do Mrs. Kathy! The senior class will always be thankful and appreciative of your hard work and dedication to us throughout these past four years.
