GIRLS' SEMI-FINAL GAME

Finishing the season with a 7-1 record, the Lady Pioneers earned themselves a first place seed in the Aroostook League Division II Bracket. They were set to face the fourth seed, Washburn Lady Beavers. The brackets were locked in and the teams were ready for battle. Already having faced them twice in the regular season, the Pioneers knew what to expect. Sophomores Abbie Lerman and Olivia Ouellette both scored two goals and with the defense playing tight, the Pioneers came out with the 4-0 win to advance to the championship game.

The young Pioneers finished the regular season with a split 4-4 record, which placed them as the third seed in the Aroostook League Division II bracket. Having only a 10 game season, the brackets were a little different from any other year. Four teams made it to the playoffs and being the third seed, that meant that they would have to travel to face the Easton Bears. Not having faced them in the regular season, they remained optimistic although Easton was the higher seed. They went in and fought hard, but were unable to secure the win. They fell short losing 3-0 placing them in the consolation bracket for their final game of the season.

BOYS' SEMIFINAL GAME

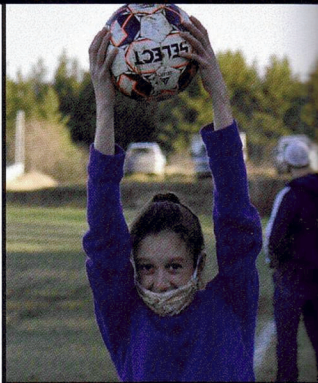

BOYS' CONSOLATION GAME

After losing the semi-final game against the Easton Bears, the Pioneers were able to play one more game to conclude their 10 game season. Never playing the Southern Aroostook Warriors in the regular season, neither team knew what to expect from the opposing team. Heading into the game, both teams, however had one goal in common, to have fun. The teams faced off in a friendly battle with Southern Aroostook scoring the first goal, but the Pioneers were able to battle back and win 6-1.

GIRLS' CHAMPIONSHIP GAME

With the field covered in a sheet of ice and a light dusting of snow, nobody knew how the game was going to go, but the Lady Pioneers remained optimistic. Having faced the Lady Hornets two times in the regular season, they knew what to expect. A scoreless first half made both teams hungry to score the first goal. After 48 minutes of hard play, the Hornets broke the ice. The Lady Pioneers did not let that bring them down. Not long after, Sophomore Olivia Ouellette tied it at 1-1. Both teams were unsuccessful at scoring another goal causing them to go into overtime. With the sun setting, the teams knew that somebody needed to score the golden goal. After the first overtime, they headed quickly into the second overtime in near complete darkness. After double overtime, the score was still in a deadlock, sending the teams into penalty kicks. With the scoreboard lights illuminating the dark field, everybody remained calm. Stepping to the line first, freshman Lilly Roy scored the first penalty kick. Following Roy, Junior Madysen Picard, Sophomore Abbie Lerman, and Freshman Colleen Thamsen buried the ball into the back of the net. Senior Emma Chamberland stopped two out of three shots sent her way helping the Lady Pioneers claim the Aroostook Division II Girls Title.
