

# ENVIRONMENT READING QUESTION LIST

## Questions About Environment

- What does your environment look like?
- What parts of nature are your favorite?
- What types of things does the environment provide to you that help your life?
- How do the actions of humans impact the environment around them and as a whole?

## Questions About Conservation

- What does conservation mean to you?
- What does it look like in action?
- What are some ways that you can help clean up your community?
- What are some things that you can do to spread awareness about conservation issues?

## Questions About Reading

- Were there any words you didn't understand while reading? Did you look them up?
- What were the characters names? What motivated them to accomplish their goals in the story?
- What do you think should happen next?

## Take It Further

Have your reader draw you a picture or write a paragraph about what their favorite part of the story was. Have them explain it to you using as many details as they can remember.
