Re: Test Review

The date of the BWLO virtual test review session is **Monday March 11th 8:00pm.**

The expectation for this voluntary review session, is that you have already worked through the exam, prior to us discussing it together. After completing the entire exam, I will happily stay on the meeting, to review/discuss difficult questions or attempt to answer any other rule inquires. As I always say, I am no "rule guru"---but I promise to do the best I can, to assist you.

Below is the link to the meeting---you may have to cut and paste it into your browser. There is no need to pre-register, download an app or sign-up for anything. Simply using the link should take you directly into the meeting. You may click on or cut/paste the link now, to be sure you can enter without problems. In the event of catastrophic technological issues at the time of the meeting, be sure to check your e-mail for further information.

I have again attached a copy of USAL/NFHS GLAX Rulebook to this e-mail, as some had trouble accessing it.

Thank you and I hope some folks can join us for this professional development opportunity.
