Networking people in one Tap

- Seamlessly Share Information with our Smart Solutions.
- Instantly Connect and efficiently manage all details in one place.
- Harness the power of NFC technology for smart products
- Update details in real time for ultimate convenience.
- Choose the eco – Friendly solution instead of using paper cards.

# Tagways Fabric Wristbands:

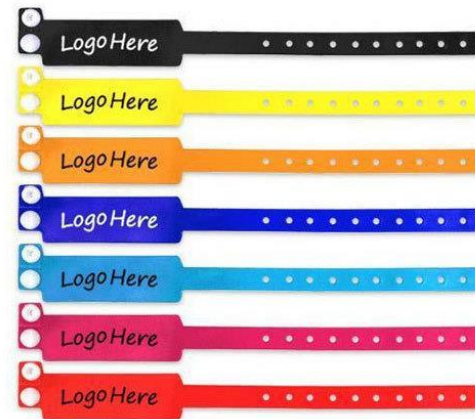

Fabric wristbands are available in woven or satin cloth materials. They are highly secure and are commonly used for festivals and large events. We offer the largest choice of security features on our fabric wristbands. Our Fabric wristband features include

- Security locks hook
- Satin and woven Material Cloth
- Multicolor Logo printing option on the wristband material.

# Tagways Vinyl Wristbands:

Vinyl wristbands, also known as plastic wristbands, are recommended for multi-day events as they are more comfortable and more durable than Tyvek Wristbands. We offering the fastest turn-around times, and the best print quality. Also ideal for Hospital patient, leisure centers, sport centers, trampoline parks and other leisure attractions.

# Silicone Wristbands:

We offer a range of silicone wristbands that can be custom printed with your own design. Silicone or 'Rubber wristbands' are cheap and are perfect for creating charity wristbands for fundraising campaigns, festival and events etc.

# Tagways ID Cards & Badges:

PVC printed ID name badges for your School, College, Conference or Exhibition will help identify different visitor types and control access. Increase the security with our additional features and use our card holder to attach your ID cards to a lanyard. ID badges help staff and guests to easily identify each other, ensuring a safe and secure environment - this could be at a fundraiser, corporate event, Membership/ Loyalty card, or festival.

# Accessories:

We have wide range of accessories like

- Round Button Badges
- Luggage Tags
- ID card Holders
- Metal Hooks
- Name badges
- Badge Reel- Key Chains
- PVC ID Card pouch

# RFID

**RFID** is **Radio Frequency Identification (RFID)** is the wireless non-contact use of radio frequency waves to transfer data. Tagging items with **RFID** tags allows users to automatically and uniquely identify and track inventory and assets.

## Products available

RFID Cards and Tags (Proximity, Mifare1K, UHF), RFID Inlay/Labels, RFID Tags, Card Printers, RFID Tags, Smart Card Readers, Smart Card Printing Animal Identification Tags, Hand Held Devices and many more RFID Products.
