

Notice of Educational Opportunities

The Board of Trustees of Clinton School District #32 provides the following description of its educational opportunities available in the District's schools:

Admission to School

The District will enroll a child in school who has reached the age of 5 on or before September 10th of the given school year pursuant to MCA § 20-5-101 and Board Policy 3110. You have the option to enroll your child in a half-time kindergarten program pursuant to MCA § 20-7-117.

If your district has an early kindergarten program include: The District will enroll a child in school who has reached the age of 4 on or before September 10th of the given school year into an early kindergarten program if there are exceptional circumstances as determined pursuant to Board Policy 1010FE.

Resident students who have reached the age of 5 or not yet reached the age of 19 on or before September 10th of the given school year who are enrolled in a nonpublic or home school may seek part-time enrollment in the District.

Proficiency-based and Personalized Learning

The Clinton School offers the following personalized learning for students

The Clinton School offers the following proficiency-based learning

The Board of Trustees may waive a specific course requirement otherwise required for graduation based on individual student needs and performance levels, age, maturity, interests, and aspirations of the parents/guardians. Waiver of a course requirement should be submitted to Amanda Cyr, Superintendent.

Participation in Extracurricular Activities

Participation in extracurricular activities is addressed through the Student Handbook, which is provided to each student and is available on the school's website [insert website address]. The Student Handbook identifies the extracurricular activities offered by the District.

A student attending a nonpublic school or home school that meets the requirements under MCA § 20-5-109 may participate in extracurricular activities offered the District subject to the student's eligibility as stated in the Clinton School Parent/Student Handbook. The student's academic eligibility must be verified by the head administrator of the nonpublic school or educator providing the student instruction in the home school as verified by the principal.

Access to Remote Instruction

The District offers the following access to remote instruction on an individual basis that could include MTDA, classroom Zoom, and other options.

Nonresident students may seek enrollment in remote instruction offered by the District if it is the nearest district and the student's district of residence does not offer an equivalent course. Space must be available in the District's remote instruction program.

Out of District Attendance

The District enrolls all nonresident students required to be enrolled pursuant to MCA § 20-5-321. The District enrolls all other nonresident students at the request of a parent/guardian on a discretionary basis pursuant to MCA § 20-5-320 and Board Policy 3____. Enrollment is on an annual basis, and enrollment for one school year is not guaranteed for subsequent years.

Applications for existing nonresident students must be submitted by September 1st. Applications for new nonresident students must be submitted on or before October 1st for the fall semester and on or before February 1st for the spring semester.

Career and Technical Education

The District offers the following career and technical education – none as we are a K-8 school.

Early College, Dual Enrollment, and Running Start Opportunities

The District offers the following early college, dual enrollment, and/or running start opportunities: Algebra I for 8th grade math students.

Other Opportunities

Gifted and Talented Program based on specific data criteria.
