

Woodhall Spa 10k – local road closure guide

Woodhall Spa 10k – 9th June 2024 / 10:00 – 11:45

We're really pleased to be returning with the fantastic Jubilee Park team to bring back the event for our year 2 in 2024, after an incredible first year for us.

The Woodhall Spa 10k race has established itself as one of the premier runs in the region and has huge PB potential!!!

Athletes attend from all across the country to compete on this flat course through the beautiful Lincolnshire countryside.

We know events like this do cause disruption from your normal routine and we apologise for any inconvenience.

Road closures are in place on the day for the safety of the runners, and we will be opening the roads as soon as possible after the runners have passed through. With all the runners finishing by 11:45.

Local traffic teams will assist with access/exit whenever safe to do so.
