Show and Tell

This section of the meeting is open to all members to enable them to exhibit any interesting items that they have made, brought, found or otherwise acquired.

Monthly Competition

Competition for October is Carving, and November is Woodturning. The open competition is for any other items. One entry only in each section per month and once an item has been entered it cannot be entered again later. Entrants will be invited to discuss their entry in detail allowing members to gain from your experiences.

President's Report

Hello Woodies,

It's that time again for the monthly report; it looks like I will be an apology again for the monthly meeting as I will be working but I'm sure Arthur will do a fine job.

The works continue up the top with 2 sections of concreting now completed with the remaining section to be finished when the weather is a little bit kinder to us. The whole top section is much safer now, though I'm not sure Jeff will agree and when it is completed, will be a much better area to work in.

As I am writing this, we are preparing for the Maldon Agriculture show to be held on Sunday 16th, so hopefully we will be able to report a successful venture at the monthly meeting.

We have a cub's night organised for the middle of November, look to the board for the date; there will be a bbq tea so hopefully we will have a good turnout of members on the night.

The new Vicmarc lathe has been repaired with a new variable speed switch thanks to Mal and Bob, so if you are unsure on how to use it, please see Mal, Bob, Jeff or myself for a quick lesson.

Recently Jeff sent out an email advising of the passing of 2 former members, Ron Groves, a 10-year member and Ken Nicholson who is a life member of the club and a past president. RIP Ron and Ken.

I hope all members are well.

Keep on turning.

President
