

BASIC SWAT SCHOOL

ELKO COMBINED SWAT – CLASS 24-01

NEVADA POST COURSE ID: P0480008

COURSE DESCRIPTION

Individual sworn officers newly assigned to a tactical unit will benefit from this comprehensive introduction to tactical skills.

Course objectives include basic SWAT topics, tactics and techniques including a historic overview of SWAT and progression of current industry tactics. Basic “Warrant Service”, “Barricade resolution” and “emergency” hostage rescue techniques will be introduced through course curriculum.

Course highlights include; Rifle/Handgun intro, open-air/ rural movements, individual and team movement, entries/ room clearing, chemical agents, less-lethal options, vehicle CQB and multiple field training exercises. This is a hands-on, med-intensity course in which officers practice tactics and techniques in the field.
