

Our mission is to engage partners to provide extended learning opportunities beyond the conventional educational experience for students in the Jersey Shore Area Schools.

Support the Foundation by Growing a Stronger Jersey Shore School District.

To Our Contributors

Thank you to the donors, volunteers, parents, residents and staff who have continuously supported the Jersey Shore Schools Education Foundation in its pursuit of providing extended educational opportunities. No gift is too small to help our students.

Programs

Teacher Mini-grant Programs

The Teacher Mini-Grant Program operates to fund special projects organized and managed by teachers that are innovative and benefit students. These grants provide opportunities beyond the regular district funding and would not be possible without Foundation funding.

The Ozobots grant provided students to learn programming in the elementary school.

Student comments were:

“Awesome”

“Very Cool”

“We learn the codes to tell the ozobot what to do.

“The Ozobot is a line-following color-sensing robot. Some local hospitals have line-following robots to carry medicine.”

Bulldog Pride Annual Fund

The Bulldog Pride Annual Fund is designed to benefit the school district and its students with funding for projects and needs that arise throughout the school year. Contributions to the Annual Fund are vital to the success of the Foundation and the District.

Programs

Scholarships

The Foundation supports scholarships for graduating Jersey Shore seniors pursuing higher education after high school.

AP Exam Subsidies

During the 2016-2017 school year, the Foundation subsidized AP Exams for students who took 2 or more AP Exams.
