Everyone,

In case you haven't heard, I had a heart attack on October 8th. This was followed later that week on October 13<sup>th</sup> with triple bypass surgery. Our amazing staff stepped up and covered for me during that time. I am now in the recovery stage and am hoping my cardiac surgeon will release me to come back to Seagull full time in the very near future. I have come in a day here and a day there and guided the maintenance staff by phone when needed. I actually replaced an A/C unit a couple of days ago as the old one had seen better days. I would like to thank Alfonso and Josh for stepping in for me in the maintenance department. I would like to thank Lynn and Paige for helping out with the office as well as keeping housekeeping running smoothly, so Debbie and Vanessa could be with me. I would like to thank Debbie and Vanessa for covering the administrative part of my job. Enough of my medical stuff!!

We had our "milestone inspection" last month but I haven't received the results yet from the engineering firm. I was with them most of the time and I don't think that they found any structural damage. I had all of the cosmetic areas repaired before the inspection and when I asked them if we sent in the results to the State, or they did, they told me that the State of Florida hadn't let them know yet. There are so many facilities that have to be inspected and only a few engineering firms that are certified to do them that the state has now extended the time limit to December 31st 2024. At least ours has been completed.

As some of you may have heard, Deanna has retired. We would like to thank her for many years of hard work and dedication to Seagull. Our new weekend receptionist Barb, seems to fit right in and gets along well with the staff, owners and guests.

We had a successful maintenance week this year and completed many of the projects that were scheduled.

Thanks for your time today and hope to see you soon, Art

A Letter from Your President...

Summer and Fall have stepped aside to make room for old man Winter to make his appearance. So, if you're not planning a trip down to Florida keep your winter coats out for a few months. If you're making your way down to Florida, pack your shorts and swim suits! You may need a light jacket for the evening. Seagull is awaiting your arrival!

As some of you may have heard, Seagull had a very bad scare in October. Our resort manager, Art, had a heart attack which required open-heart surgery. He is out of the hospital and on the road to recovery. He is doing great and comes to the office for visits, but hasn't returned to full-time maintenance duties, like fixing air conditions! Some of you have gone through the same so you know how that goes. Please bear with us while we get through the recovery process. Speaking of Art, he just recently celebrated his 30-year anniversary at Seagull Beach Club! Thank you, Art! Seagull is very fortunate for the current staff we have who have gone above and beyond to help try and accommodate everyone anyway they can and who have all pitched in to help cover for Art as well as Debbie and Vanessa so they could be with Art while he went through this. Debbie and Vanessa are holding the fort down while Art is away.

The Annual Owners meeting is coming up! Please see the front page of this newsletter to get your reservations made!

We hope to see you there!

Jack Robbins

# 4:00 pm Saturday Check-In is Being Strictly Followed

At this time, we would ask that everyone respect our 4:00 pm check-in time on Saturdays. We will no longer be having early check-ins. Please stay clear of the floors while our housekeeping crew is cleaning as this will only slow down the Saturday check-in process.

The office will be locked from 10am – 4pm on Saturdays until further notice.

## \*\*The 2024 Invoice/Intent form was included in the Fall Newsletter. \*\*

### If you need another one sent to you, please supply the office with an email address and one will be sent to you by e-mail or visit our website at www.seagullbeachclub.com.

### SEAGULL BEACH CLUB RENTAL PROGRAM

- The Seagull rental program is provided as a convenience to our owners.
- As always, the maintenance fees must be paid prior to placing your unit(s) in the rental program.
- Notice of intent to participate in the Rental Pool must be received each year at least 8 weeks in advance of the start of the week being deposited.
- If you would like to place your unit in the Rental Pool, but have missed the 8-week cut-off date, you may deposit your unit as a Late Rental with Seagull. Late Rentals will only participate in the "pooled" rental income if the number of rental guests for that week exceeds the number of units deposited in the Rental Pool. In that case, Late Rentals will be added to the pool as needed based on the date each unit was deposited as a Late Rental.
- When an owner deposits their unit in the Rental Pool or Late Rental, they give up their right to use that unit for the entire week either for themselves or guests.
- All units in the rental program, whether Rental Pool or Late Rental, are available for use by Seagull for the entire week. In other words, there may be instances where Seagull finds it necessary to move occupants to another available unit for administrative purposes. This move however will have no effect on the original status of an owner's position in the rental program and their portion of the income from the pool will not be affected.
