

Schumacher Day Minor Hockey Association Coach Application Form

Dear Applicant

Given recent changes in regulations, from our governing bodies (OHF/NOHA) there is some important information you should be aware of for the upcoming season.

Criminal Record Checks

- Every member of the coaching staff (Head Coach/Ass't coach, Trainer & Managers) MUST have a criminal record check completed prior to the start of the season
- If you have provided a criminal reference check, in past 3 seasons, a waiver will be required (provided when successful staff assembled)
- Failure to provide a completed criminal record check will disqualify the individual from being on the ice or bench with the team-they will not be approved in the HCR
- NOHA and SDMHA will be strictly enforcing this requirement this season; therefore, your cooperation is required.

Transgender Awareness Training

The Ontario Hockey Federation (OHF) along with the Hockey Northwestern Ontario (HNO) and Hockey Eastern Ontario (HEO) are pleased to announce the launch of a new training module for team officials, to support trans-inclusive hockey in Ontario, Understanding Discrimination based on Gender Identity and Gender Expression.

There are two modules, which will educate team officials on this important topic. For team officials already assigned to a team, completion of these modules will be a required by October 1, 2017. For team officials named within a month of or after October 1, they will have 30 days to complete both modules.

The e-modules will be available to team officials through the following link:
