INFORMATION YOU SHOULD KNOW

(CONTINUED)

- Under the **Overdraft Protection Plans** section, **Business Banking Overdraft Protection** sub-section, updated the language to state that when a checking account has a linked Business Reserve Line of Credit, the system will automatically draw from that account first, which may incur a fee. If a checking account has a deposit product and credit product linked as overdraft protection, the order of eligible accounts is updated to always draw from the deposit product first, which will not incur a fee, unless the checking account has a linked Business Reserve Line of Credit. If the deposit product has insufficient funds available to transfer, funds will draw from the credit product.
- Under the **Closing Your Account** section, added a paragraph for **How the account closure works** that says, for consumer checking, savings and money market accounts, when you request an account closure, your account will be placed in a 'pending closure' status for a period of 10 business days. During this 10 business day 'pending closure' period, we will allow pending deposits to be cleared and/or post to your account and we will allow pending debit card transactions that you authorized prior to initiating closure to be cleared and/or post to your account. Your debit card will be declined and transactions will no longer be approved when the account is in 'pending closure' status. Once your account is fully closed, transactions will not be allowed to post to the account except under limited circumstances. For example, transactions may be processed after closure if necessary for fraud investigations, transaction dispute claims, merchant credits, or deposit adjustments due to errors.

If you have questions, please call us at 800-673-3555. Our business bankers are here to help 8 a.m. to 8 p.m. CT Monday through Friday and 8 a.m. to 6:30 p.m. CT on Saturday. You can also schedule an appointment at usbank.com/book to speak with a banker in person, by phone or virtually.

AREA LEGS POLICY SUBCOMMITTEE MEETING 4/14/2024

Meeting opened with a moment of silence followed by the Serenity Prayer.

The Twelve Traditions read by Craig D.

The Twelve Concepts read by Andre C.

We observed a one (1) minute application of the 11th Step.

Subcommittee Purpose and Guidelines read by Jimmy M.

Previous minutes were read and accepted.

Old Business: Discussed the Ad Hoc for a Convention information. There was extensive conversation about Activities/Entertainment guidelines and whether we should change said guidelines to better accommodate the needs of the Area.

A motion was made to table discussion but was withdrawn after repeated verbage.

It was stated that we contact previous Activity Chairpersons for input. We made a group conscience to table discussion until a later date.

A member brought up concerns about previous reports (Policy) not being placed in the minutes. That member further stated that the Secretary should post said reports in the minutes per Policy Subcommittee report 3/10/2024. The Secretary stated that if directed to do so it would be done. As of this date the stated reports have not been determined.

New Business: Policy Over view to be what the GSR needs to do outside the ASC.

Jimmy M

Policy Subcommittee Vice Chair

OVERVIEW

What the GSR needs to do outside the ASC

- Relay information from the ASC back to the group. The best way to do this is usually with the ASC minutes, which should ensure accurate information
- Attends the group's business meeting at least once a month.
- Keep the PR Chair and the Area informed of meeting changes to avoid addicts being misdirected.
- Become familiar with the 12 Traditions and the 12 Concepts of NA service.
- *Attend any of the Subcommittees as part of their group's active participation in the service structure.*
