Discussion about banking apps to be used to sell raffle tickets. The Treasurer advised it doesn't matter how the money is collected.

A preliminary logo was approved for early merchandise sales. It will be the same logo used on the pre-registration flyer.

John will be sending information to all Areas requesting their support.

A suggestion was made about using a QR code on badges instead of printing a lot of program schedules. A number of schedules will be made available for those who need them. Note: Ohio Region also posted schedules around the hotel for addicts.

A question was asked about who is sending minutes to LEGS, the hosting Area. Someone said they would forward minutes (but I'm not sure who).

Programming to ask speakers to pay their own travel cost and the convention will cover their rooms and banquet.

Merchandise reported on pre-convention hoodies, and we talked about quotes, etc. A request was made for \$1020 for half the amount need for hoodies and the motion passed.

The Treasurer made a report, but I couldn't hear what was said.

Fundraising and Entertainment requested \$1000 for a speaker jam. Expense approved.

Convention Information requested \$50 and the expense was approved.
