GROUP REPORT:

NAME: HAPPY JOYOUS AND FREE

For the month of September we like to give thanks to our chairperson for the month Terri E. As a newer member to the program of N.A. Terri brought a wealth of recovery to our meeting with the speakers she asked to share their experience, strength and hope for the group. This was Terri's first attempt at a service position and we commend her on a job well done. We average 20-25 members each meeting with about 4-5 newcomers. We would like to extend our gratitude for all the support we receive in carrying a message of hope and a promise of freedom. We would like to thank our previous treasurer Benny W. who went above and beyond the call of duty as the group's treasurer for over 2 years. Thank you Benny and we love you. We will also welcome our new treasurer to the position. Our home group member Vernon F. we appreciate your willingness. We have grown in our home group members and look forward to welcoming more to join our lovely family.

Average attendance is 12 and growing, average donation \$9. Averaging two new comers a month. Patricia is treasurer until January 2022 and the newly elected Secretary is Carlos and other than the GSR, all other trusted servants are needed. Only two of the original home group members are responding regularly and only one comes to the home group regularly but hopefully that will change as the group is showing signs of a rebirth.
