

RURAL NORTH HEALTH SURVEY

In July 2021, surveys were taken in North Belize along the old northern highway that included the villages such as Bomba, Corozalito, Lucky Strike, Maskall, Rock Stone Pond and Santana. STS members conducted a medical missions trip to Belize, Central America to assist with the development of the future home of the Bomba Health Clinic. Assessments of health needs were documented in the above villages.

The Church and Technology

Thanks to Lynn Johnson of ZIMM's STS team, Emmanuel House of Prayer in Lucky Strike village Belize, Central America, were able to make their first virtual Sunday Worship service via Facebook live on August 8, 2021 with the equipment donated through ZIMM, Inc. This will allow Pastor Esther Smith and the congregation to share the Love of God and his word from the rural villages of Belize to the world & beyond.

BACK TO SCHOOL PHASE IN AUGUST

According to the Ministry of Education, schools are schedule to re-open in Belize with face-to-face instructions in late August. However, school officials must follow the CDC guidelines and inspections.

With school vastly approaching, health officials are taking 'cautious steps' when schools reopens to keep all students and teachers safe by following the CDC requirements. (Source: [cdc.gov](https://www.cdc.gov))

STATUS OF SCHOOL'S REOPENING IN LAC⁶
