The reduced fare will be half the cost of the regular fare. Children under 8 years old ride free with an adult. One personal care attendant may ride without charge. Additional personal care attendants will pay the reduced fare price. Reduced fares must be requested and approved through the transportation office or the full regular fare will be assessed.**

**\*Round trip is based off the vehicle. If the vehicle leaves the county, travels to the destination then returns to the county, it is considered a round trip. Example: A ride to the airport is a round trip then the ride home from the airport is a second round trip. The transportation vehicle has to make two trips to the airport, therefore two round trip fares will be assessed.**
