MOTION: for reconsideration

I, Vanessa Cardillo, respectfully ask the honorable Judge state the following facts and request the following relief:
to grant me reconsideration of decision to the motion for emergency relief that Jon Swan filed. This case of stalking is a personal one. Not anything to do with forest care & a landfill. Jon has approached me at the Littleton shaw's, screaming at me, where everyone in the store came to see what was going on. I calmly said to Jon have a nice day and walked away while he continued yelling at me. Jon has previously formed militias and is very hot tempered with a short fuse. He already broke the order posting the violation of stalking order

on Facebook, and had used many of his other pages sharing it, also commenting, calling me an ugly man and ~~was~~ rioting the public against me for the stalking order. While I was at the town hall many people walking by me [&] my family [&] friends calling me names "Slut, a cunt for the order, saying I deserve to die for this," it goes on. I reported these to the state trooper. I told them that Jon was told to go to the town first to prevent me my rights to go there myself, than once I ~~was~~ heard that I was afraid to go to a public place I'm aloud to be. Because of Jon Today Jon laughed at the order saying it won't stop him, and he can find a way to get me out of here, and this is the beginning of war. I am afraid of his open threat, and stressed, with my PTSD, these actions and comments are frightening. I shouldn't be

put in fear and harms way all because he
has done all this to me. I am not involved with
the politics. Son shouldn't be threatening me
when he comes back and I walk to the state
trooper to hear what he says and Jon and his
wife → friends standing in a mob like group laugh
saying it's a great day I can't stop Jon and them.
That doesn't make me very safe, stop them from what?
He claims hes at war with me I've done nothing to
son to deserve any of this Jon has already
voted and been Poling for his position. The
voting is done at 7pm. So if anything
I respectfully ask the ~~Pa~~ motion to have the
specific time that it states online as well
from 8:00am to 7:00pm June 8th. At that
time the original stalking order continue in
effect, so I will than have some relief that
