

Anchors Away Scholarship: The Brightlyn Fund

WHO: We chose to name this fund in honor of baby girl Brightlyn. She is the daughter of our very own AMAZING, Ms. Danika and her husband, Mr. Jordan. Brightlyn was in their arms for a small time and is now their angel in heaven. For those who walked the journey, you will understand how precious Brightlyn is to the Frisbee Family, Anchors Away, and our family of teachers. This is a small, tangible way to LOVE and HONOR Brightlyn.

WHAT: The Brightland Fund: The Brightlyn fund is an in-house scholarship offered to students enrolled at Anchors Away. These students families may not qualify for scholarship through other avenues OR they may need tuition help during a financial hardship.

WHEN: These scholarships can be applied for anytime during the school year. There is an application to be filled out. Our board will then review the request and contact you with the decision.

WHY: We are here to make sure ALL kiddos who want an Early Childhood education, can do so without adding financial stress. The Brightlyn fund is our way of providing this to families.

HOW: Below are ways you can support The Brightlyn Fund at Anchors Away.

1. YOU can purchase stickers with our awesome logo and be on the lookout for fundraising and donation opportunities throughout the year.
2. YOU can make a donation via Venmo. Please use Brightlyn in the description.
3. YOU can sponsor a student's Tuition: Below are class rates.
