

Pickleball Information Sheet

If you still haven't heard about Pickleball, it's a fun sport that combines many elements of tennis, badminton, and ping-pong. It's played on a badminton sized court with the net set at about tennis height.

We play indoors in the Winakwa gym and accommodate a range of ages and skill levels. The rules are simple, and the game is easy for beginners to learn. If you have never played and are at all interested come out and see what it's all about. We have people who would be glad to introduce you to the sport.

Hope to see you on the court.
