President's Message:

Happy April everyone!

Time is flying by ever so quickly, and we have completed the winter months where our meetings are zoom-only – for another year, at least. As much as I love the Zoom meetings and being able to hear from a distant speaker who may not otherwise be able to come to our area, while avoiding late night winter driving, I do find myself looking forward to having in-person meetings again! It is nice to see everyone on Zoom, snug at home and not out and about in winter snow, but it is also going to be superb to see our guild members in person again. For those who cannot attend in person, we will be running the meeting in the hybrid format, so the Zoom meeting option is still going to be available. This way, all who wish to, can participate even if far away during the meeting or if feeling unwell (and not sharing the virus/germs with the rest of us). At least we won't need special glasses to protect our eyes from the eclipse by the time of the meeting. I will, however, be sure to wear my prescription glasses so I can properly see all the show-n-share quilts!

As we head into the last 3 meetings of this guild year, there are various things for us to consider. The quilt show committee is working hard and planning for our October quilt show is well underway. The on-line form to use to register quilts or quilted items that you wish to display at the show will be available shortly. I hope that everyone in the guild will have at least one quilt/item to display at the show. I have my eye on two quilts to submit. The hard thing for submitting them will be selecting the priority between these 2 entries in case there are too many quilts submitted for the event space. Please read later in the newsletter for a quilt show update.

Also, at this time of year, we need to think ahead to the next guild year. We have had a wonderful group of volunteers helping to run all the guild programs this year. We would not have a guild program without these volunteers. Some of our volunteers are finished their terms and we need to find new volunteers to fill their spaces. We cannot run this guild without volunteers. It is rewarding and does not take a lot of time. One of the nice things about being on the guild's executive is that you get to be one of the first to hear about events and guild news! Our past-president, Debbie K. is going to be talking to members about volunteering – please consider

spending a bit of your time to help ensure that the guild can continue to run and can continue to offer such great programs and events. She has some information in the last newsletter, and later on in this one as well. Please consider volunteering.

I hope you all stay safe and stay well. Looking forward to seeing you all at the April in-person meeting!

Laura B.

Vice President's Message:

As I write this note I just received an alert on my phone saying the weather tomorrow is forecasted to be high winds with the possibility of heavy rains with maybe some snow. At this time of year each day is a surprise. I am looking forward to getting back to our in person meetings and connecting with everyone again and preparing for our upcoming quilt show will be in the forefront of our minds. Preparations are moving along quickly. Lots of requests for help and donations of things for the treasure room and silent action as well as lots of other requests. Please consider supporting our show in any way you can no matter how small. Many hands make light work.

See you at our April in person meeting.

Don't forget to wear your coat or maybe a sweater or maybe no coat or sweater at all!!!

Debbie W.

Past President's Message:

Good day My Quilting Friends (as Leah Day says on her podcasts),

Another month has zoomed by and here we are at the beginning of April! I saw my first crocus in my lawn yesterday, the grass is so green, and I can see that slight haze of new growth on the trees. I keep telling them to slow down because it is only the end of March but they are not listening. All this Spring activity is distracting me from my sewing area during the day so I try to make up for it in the evening. I love the longer days but it does mess with my ability to assess what time it is when I am working away. I may have to break down and invest in a watch and wear it.

We only have 3 Guild meetings until our AGM. I was thinking about how to write this article and how to focus it. I could sit here and tell you about how difficult it can be to get volunteers to fill

positions, I could beg members to come forward, or I could focus on being grateful for the amazing and active membership that are part of DTQG. I decided on Gratitude.

I have listed the open positions below. I know that our membership will check out the positions and see themselves doing these essential tasks. They have the desire to help and have the skill sets needed to be a wonderful addition to the Executive. The time commitment is minimal for most of the positions and is a wonderful way to get to know other people in the Guild in a more in-depth way.

I am grateful for you stepping forward to have more fun, dust off some skills, and use them to help create an abundant and thriving Guild that continues to support each other and our community. Please think about which position you would like to fill as you enjoy your day creating beauty and joy wherever you go. Thank you.

Vice President - One of the positions needing to be filled (an Officers position and an essential one for us to continue on as a Guild) is the position of Vice President. Being Vice president is a 6 year commitment. 2 years as Vice, 2 years as President and 2 years as Past President. The roles are not onerous, but they are very important. As Vice you assist the President and basically have a 2 year apprenticeship for the role of President. As President you guide the Executive to create a Guild that follows the constitution to have an active and inspiring quilting experience for all. You are part of a large and cooperative team which takes a huge load off your shoulders. Laura has also created many good templates during her time as President. This will help the new President run the Executive and Guild meetings smoothly and easily. Laura will also be there to help for another 2 years as Past President.

It is essential that we have someone become Vice President as without that position filled we can not continue as a Guild. I am hoping that by me letting you know early in the year, you will think about stepping forward and accepting the position as the Vice President.

Secretary - Gail has done an amazing job as our secretary for the last couple of years (and many other jobs on the Executive before that) and is stepping down.

Secretary is an Officers position that is required for us to be a Guild...no Secretary...no guild. The Secretary takes minutes for all the Executive meetings (10 throughout the year) and distributes them to the Executive before the next meeting. The secretary also sends out the 'all members' DTQG emails and checks the physical mailbox for any snail mail. Secretary also checks the gmail account for messages that come in and forwards them to the appropriate convenor.

Executive meetings are usually done on Zoom, so travel is at a minimum for all. And it is easy to get into your PJ's right after the meeting for some. Or get some sewing time in for others.

Program - One of the positions becoming vacant is Program. Kate H is stepping down from that position and moving over to head up the Community Outreach Program. She has already booked the first four months of the next year and will be passing on very comprehensive information on what to do for the job. This is normally a two year term on the Executive.

Show and Share - Peggy has done an excellent job with quite the learning curve for her. Peggy has completed her term and is looking to have a break so she can be a regular member for a bit.

Show and Share convenor enables us to share our projects with others either in person or online. For our online meetings the Show and Share convenor creates a PowerPoint from the pictures submitted from members before the due date (usually 5 days before our regular Guild meeting) and runs it at the appropriate time. If you are cautious about creating a PowerPoint presentation there are many here in the Guild who can walk you through this and help you to be very successful at it. At our in-person meetings the convenor organizes the herd of cats into a line and helps to showcase the creations that are being shared with us. Recruiting volunteers to help with holding the quilts is an easy part of the task because those of us holding the quilts get a great close up view.

Publicity - This is a position that is front loaded in the year. You would be responsible for contacting current, previous, and new businesses that would be interested in advertising in our newsletter for the year. Most of the work is done in September and October (by email mostly) and the businesses pay by e-transfer. The biggest part of the work is writing emails to the businesses and then sending out an invoice after they have paid.

Retreat Co-ordinators - Self explanatory. Diana H and Sandy M worked temporarily in this position for the Spring Retreat at Elim. This position requires 2 people and it is quite a bit of work for each retreat. There are people who can assist if you are looking to do this job. We have had both types of retreats in the past - Away and Stay-at-Home - but could focus only on Stay-at-Home retreats if that is what the new convenor wishes to do. If you wish to know more about this position, please connect up with me (Debbie K) and I can connect you up with people who know so much more than I do about this position.

Membership Assistant - You would be needed mostly for September and October to help the convenor with membership cards, in person sign ups, and stickers for our nametags. With over 100 members it can get pretty overwhelming for one person at the table in those two months. **(We have a volunteer for this position now.)**

Well, as you can see, there are many opportunities for you to step up and help on the Executive. The Executive is excited about having some new people come forward and fill these positions because you bring new ideas, great skills and a wonderful energy to add to the existing cadre of wonderful people. Our goal is to have the most fun and productive Guild that we can be. That can

only happen with members who volunteer and step into these roles so we can continue being a Guild that has a great influence in our community.

If you wish to learn more about one of these positions or wish to volunteer, please contact myself (Debbie K), Laura B, or Debbie W. Thank you and I look forward to speaking with you.

Debbie K.

Program:

I know that everyone enjoyed the presentation from Kim Caskey in March. There should be no shortage of labels on our quilts going forward. I got some great tips and suggestions on making my own labels.

We return to in-person meetings this month and we welcome Elaine Theriault with her presentation on Modern Quilting. Is it really modern? Come and find out!

Look forward to seeing you there to enjoy Elaine's presentation!

Hello fellow BOMers, yes I'm going to continue with this new word. Hope you all had a great Easter, with bunnies everywhere, both chocolate and the ones my dogs love to chase from my yard. April 8th we are back live, so don't forget to bring in your completed blocks to be displayed. There will be 4 draws, which include draws for blocks submitted online for Jan, Feb, and Mar). Look forward to seeing you and your completed blocks.

Best in quilting.

Library:

Stop by the library and check out the two new books:

- Jelly Roll Quilts, the Classic Collection by Pam & Nicky Lintott
- More Playful Precut Quilts by Amanda Niederhauser

Please remember to return your library books at our April meeting.

Twas the night before the guild meeting,
And all through the house,
Not a creature was stirring,
Not even a mouse!
The books were lined up,
All ready to go!
Gotta get those library books back!
One, two, three... GO!

Here is a project completed (#5 from the UFO challenge), that I borrowed a Guild library book, back in Covid Times.

So... dig deep quilters and get those books back!

Others will be inspired to borrow them if we keep sending in our photo.

Poem and pictures sent by Jacqueline H with many thanks.

Fabric Basket:

Woo Wee! Is it spring cleaning time again... already?? Well... if you do organize and do some downsizing of fabric, remember to keep your scraps for the scrap basket.

DTQG SCRAP DEFINITION: A scrap is a piece of fabric **BIGGER** than your outstretched hand. It should be at least as wide as your palm.

So please adhere to the definition of quilt scrap for the fabric basket. If it does not fit this definition, you should consider cutting it up for dog beds for the SPCA.

Here is a donation quilt that was made with the help of some of the scraps this person obtained from the Fabric Basket. (person is unknown)

Yours in Scraps

Jacqueline H and Retta H

Membership: -----

Happy April everyone, I trust everyone is enjoying all the spring weather that has been coming our way. Are your flowers starting to pop up?

I am seeking a volunteer. The functions include but are not limited to, assisting while we have visitors that need to pay for their attendance and new members coming in.

Speaking of new members, we have someone new who has joined us this past month. When we get together in April be sure to look for Danica and welcome her to the Guild!

Danica lives right here in Oshawa so the trip to the in-person Guild meetings should not take her too long!

I trust that everyone has had loads of time to get their sewing homework done and will have lots for show and tell.

Look forward to seeing everyone at the April meeting.

Retreats:

Unfortunately, the April Away retreat at Elim had to be cancelled due to a lacking number of members attending. Hopefully someone will step forward to head up our next home retreat. Contact Debbie K., our Past President if you are interested.

Show and Share:

We will be back in person in April, so bring in your quilts to show off your artistry and talent for the rest of our members to enjoy.

Peggy G.

Newsletter:

I hope everyone had a great Easter and ate a lot of chocolate. As I am writing this it is April Fools Day but so far nothing has happened. Unfortunately, I will not be at the April meeting as I am flying out to Saskatchewan to visit my sister, Doreen and participate in her retreat. I am looking forward to it and will see you in May.

Diane D.

Outreach:

Community Outreach is excited to return to in-person meetings. We have lots of options for our members at the April meeting. We have kits of many types ready to hand out. We have kits that need assembly, kits that need quilting, kits that need binding and labelling. We are ready to receive any projects you have completed over the winter months while we were Zooming. There is a lot happening, please read through this carefully.

Help us to get to our goals this year. We pulled all the bins from our storage unit and worked our way through some of the bins making up quilt top kits for assembly with some new patterns that are available free on the internet. We will have those kits ready for distribution at our next in-person meeting. We would like to have as many tops signed out, sewn and returned by the May or June meeting. Our goal is to have at least 25 tops ready to quilt at our next day at Whirls N Swirls.

Join us for a Community Outreach sew day on Saturday, June 8 at Rundle Park Community Centre from 10-4. Cost is \$10, which includes lunch. Sign up online (will be available on our website right after the April meeting) and send in your payment. We will have kits to sew in order to meet our goal of 25 quilt tops ready for our day at Whirls & Swirls. The community outreach team will be on hand to continue working through the bins from our storage unit.

Mark your calendars for our next Whirls & Swirls sew day on Saturday, June 22, 2024. If you are available to help, we need 12 members to sign up. Can't come for the whole day? No problem, come out for an hour or two. We will be there from 10-4. Sign up at the Community Outreach table at the April and May meetings.

For those of you who make completed quilts for our program, thank you so much, and we would be pleased to provide you with a label to add to the quilt when you are attaching the binding. Every quilt that is distributed to our community partners must have one of our labels on it before it's handed out. It would help us a lot to have the label attached before the quilt is handed in so we can turn them around faster to our community partners. We truly appreciate our member supporting our program.

After the March 16 **National Quilting Day event hosted by Debbie K**, I received a few emails with photos of quilts destined for Community Outreach. You guys are just awesome, and I want to thank you all so much. It will help us to meet our commitment to Quilts for Survivors and Quilts of Valour that we made last month. Just a recap, *In addition, we would like to commit the guild to provide 5 completed quilts to Quilts For Survivors and 5 Quilts to Quilts of Valour*

Thanks for your support!

Your Community Outreach Team: Kate, Lyne, Carolyn, Sharon, Diane W, Diane D, and Dorothy.

2024 Quilt Show news:

A word from our "Treasure Table" Convenor - Angie S

Wow! People have been working hard to gather those things that will be sold at the treasure table. Just a note... the Treasure Table is items that would go to goodwill or be sold at a garage sale. Just a reminder to keep all donations for our treasure table at home until set up day. If you do bring items to the meetings, you will be asked to take them home as I do not have room to store them. If you have any new items or quilt kits to donate, please contact Debbie W.

Perhaps get together with a few girlfriends and decide who is going to deliver all of the items you are donating on Thursday October 17th (after 1 pm) to the Show Location (Forest Brooke Community Church, 60 Kearney Drive Ajax)

Thank you in advance for your donations and If you have any questions feel free to contact me.

Angie

A word from our Tea Room Team - Gail, Gwen, and Kathy

Please contact Gail L if you have a Current Food Safe Certificate. The Three Sisters are currently working on putting together list together for the tearoom. Remember if you volunteer at the quilt show... you get in the day you volunteer for FREE! And you will know exactly what the tea room is serving for lunch and snacks:)

A word from the Quilt Show Boutique

A big thank you for your overwhelming support of our Boutique and Quilt Show. As we get closer to the Quilt Show in October, the Boutique Committee is asking for the members to help out for just a little longer.

We would like to ask you for the following.

1. Kits that you have signed out - please complete the kit and bring it back to us at the next meeting in April. If you can't do it, then please bring the kit back.
2. Fabric for fabric salads - please look through your stash and put together collections that we can put into plastic food containers that we call Fabric Salads and will sell at the Quilt Show. These collections can be strips (2.5" is very popular), 5" or 10" squares, colour coordinated materials, blenders, seasonal or lines of fabric ie Lori Holt, etc. Remember it should be appealing to the buyer in order to sell well. Bring them in a bag and we will fill the Fabric Salad containers.
3. New Kits - we will be handing out two new kits in April and two more in May. Please take some and return them at the June meeting. Then no more kits and your support is much appreciated.
4. Donations of finished products for the Boutique are still very much appreciated.

Thanks again.
Joanne
