## The Purpose of Friends of Carroll Recreation & Parks

Friends of Carroll Recreation and Parks was established as a 501 (c) (3) tax exempt organization to represent the interests of public recreation and parks programs and services offered by Carroll County Recreation and Parks and its volunteer recreation councils.

Recreation councils provide a wide variety of programs throughout the year to thousands of citizens. In addition, volunteers from these organizations spend countless hours and dollars maintaining and improving the quality of the facilities enjoyed by the citizens.

Through Friends of Carroll Recreation and Parks, businesses and individuals can donate funds towards local programs as well as improve the quality of our County's parks. Donors may designate the council, program or service that their contribution funds.

All donations will go to and be acknowledged by the Friends of Carroll Recreation and Parks. More importantly, through your tax deductible donation of money, services or equipment, you will play an essential role in contributing to the quality of life in Carroll County.
