

Bethany: Distinctly Different

Residents, Families, and even visitors and volunteers often ask why Bethany is distinctively different from other Communities of Care.

- *Bethany exhibits an atmosphere of family, providing both familiarity and excellence of care resulting in documented high satisfaction rates for Families and Residents.*
- *Bethany Staff members have a vested interest in the Bethany Community and the Residents served, fostering a sense of ownership that is fueled by the Beliefs and Values of the Century-old Mission of Bethany.*
- *The physical plant of Bethany presents an aesthetically pleasing environment, representing no institutional feel or appearance.*
