

MorningStar Messenger

a newsletter for connecting kids with brighter days

Quarterly Newsletter | March 2024

Greetings!

It is our sincere desire that you are being blessed by our Living Lent devotionals - that hope is finding its way through whatever window it can, big or small, and your heart is stirred to consider a deeper, richer life of faith.

We now prepare for this season of resurrection, where the flowers blooming all around us serve as a reminder to allow God to bring to life things within us. In that spirit, we want to share with you some opportunities for involvement around our campus. As we do, perhaps you will feel the call to partner with us in these works that will bear fruit both in you and in the lives of our boys.

Beth VanDerbeck | Chief Executive Officer

Day of
Service

Night to Shine

Our young men were looking sharp and had a great time dancing the night away at the 2024 Night to Shine.

This was a great prom-night event for the boys.

a sanctuary where **transformative** teaching and **healing** affirms our children through **real relationships**

Learning Can Be Fun!

In a recent week-end workshop with DEILAB*, our boys stretched their creative problem solving and collaboration skills as they built and raced Lego cars.
