

# Design Resources

## Frazier Associates

- Through Virginia Main Street (VMS), Frazier Associates can provide downtown business/property owners with FREE concept drawings for those considering making medium-to-large scale exterior improvements. In terms of Downtown Design, they're a great resource to help you envision your building's great potential.

## REVOLVING LOAN FUND

- Downtown Blackstone, Inc. maintains the ability to offer downtown business/property owners 0% interest loans for those considering medium-to-large scale improvement projects, exterior or interior, through it's Revolving Loan Fund (RLF). The local Main Street organization remains committed to strengthening businesses and developing financial incentives for building rehabilitations and business development.
