## **Abstract**

In a world often plagued by restrictions, conflict, and scarcity, a remarkable tribe known as the Lost Tribe emerged. They steadfastly rejected the prevailing perceptions of the world and chose a different path—a path of unity, love, and abundance. The Lost Tribe believes in the power of their collective vision to reshape the world as we know it. As they gather from every part of the universe, they extend an invitation: "Are you part of it?"

Lost Tribe Nation represents a global community united in the pursuit of freedom and the creation of their own system. Central to this endeavor is the Love token, a cryptocurrency built on the Binance Smart Chain. This white paper details the vision, mission, and roadmap for Lost Tribe Nation, outlining the purpose and utility of the Love token.

## **Introduction**

The Lost Tribe Nation is a decentralized nation driven by the desire to break free from the limitations of the prevailing world order. They share a collective vision of unity, love, and abundance, and they are determined to transform this vision into reality. Lost Tribe Nation is a beacon of hope in a world often characterized by division and scarcity.

# **Vision and Mission**

## **Vision**

Lost Tribe Nation envisions a world where love, unity, and abundance prevail. They aspire to create a worldwide nation that operates outside the boundaries of conventional society, where people come together to dream, love, and build a new world.

## **Mission**

Lost Tribe Nation's mission is to establish a decentralized, self-sufficient global community that empowers its members to lead fulfilling lives free from societal constraints. Through the Love token, Lost Tribe Nation aims to facilitate participation in community events, the purchase of beachfront properties in Lost Tribe villages and Lost Tribe islands, and the exchange of goods among community members.

## Tokenomics: Love Token

### Total Supply

The Love token has a fixed total supply of 1,618,033,988 tokens, inspired by the golden number PHI (1.618033988). The fixed supply enhances the token's value proposition.

## Distribution

- **Airdrop** : A portion of Love tokens will be distributed to active community members during the airdrop phase, fostering early engagement and participation.
- **Private Sale and Pre-Sale** : An opportunity for early contributors to acquire Love tokens at a discounted rate, incentivizing early support for the project.
- **Public Sale** : The Love token becomes available for the public on cryptocurrency exchanges, allowing wider access to the token.
- **Rewards (Ongoing)** : Active community members will have the opportunity to earn additional Love tokens through various community activities, events, and contributions, further incentivizing engagement.

## Utility and Use Cases 1/2

The Love token serves as the lifeblood of the Lost Tribe Nation, offering a range of practical use cases within the community:

- **Event Access:** Love tokens are the primary means of entry to Lost Tribe Nation's events, including festivals, parties, and gatherings, promoting community participation and unity.
- **Property Ownership:** Members can use Love tokens to purchase beachfront properties in Lost Tribe villages and Lost Tribe islands, fostering a sense of belonging and permanence within the community. You can discover on the website one of the projects that Lost Tribe Nation will create.
- **Goods Exchange:** Within the community, Love tokens facilitate the exchange of goods, supporting a self-sufficient ecosystem where community members can trade and transact with ease.

## Utility and Use Cases 2/2

- **Passports and Certificates:** Love tokens can be used to obtain new passports and certificates of birth, imbuing these essential documents with symbolism and significance.
- **Discounts and Priority:** Love token holders enjoy a discount on various community services, products, and events, as well as priority access to community resources and offerings.
- **Rewards:** Active members of the nation can earn Love tokens through various activities, including participation in community events, contributions to the ecosystem, and referrals.

## Governance and Decision-Making

As Lost Tribe Nation evolves, a governance model may be implemented to allow Love token holders to participate in decision-making processes, shaping the direction and future of the community. This will ensure a decentralized and inclusive approach to community management.

The Love token's tokenomics are designed to create a vibrant and engaged community within Lost Tribe Nation. With a fixed supply, various use cases, and opportunities for earning and participating, Love tokens play a crucial role in the realization of the community's vision – a world full of love, unity, and abundance.

## **Tribe Structure**

Tribe Members: All members of Lost Tribe Nation are considered integral members of the tribe. The community operates on a decentralized model where each member contributes their skills, ideas, and efforts to further the goals of the project.

## **Decentralized Decision-Making**

### **Community Governance**

Lost Tribe Nation's governance model empowers every member to participate in decision-making processes that shape the direction of the community. Key decisions, such as project developments, resource allocation, and event planning, are made through a decentralized voting system.

## **Proposal and Voting**

- **Proposal Submission:** Any community member can propose ideas, initiatives, or changes to the community. Proposals are submitted through a transparent and accessible platform.
- **Voting:** All Love token holders have the right to vote on proposals. The number of tokens held often corresponds to voting power, but proposals are designed to promote inclusivity and consider the interests of all members.
- **Execution:** Proposals that receive majority support are executed, with regular updates and transparency throughout the implementation process.

## **Contributions and Roles**

Lost Tribe Nation thrives on the diverse talents and passions of its members. Individuals can assume roles and responsibilities that align with their skills and interests. These roles may include event organizers, community builders, developers, artists, architect, coach and more.

## **Rewards and Recognition**

Active participation and contributions to the community are recognized and rewarded. Members who actively engage in community events, contribute to projects, or refer new members may receive incentives in the form of Love tokens, promoting continued involvement and enthusiasm.

## **Conclusion**

Lost Tribe Nation's tribe structure reflects its commitment to decentralization, inclusivity, and community-driven governance. By valuing the input and efforts of every member, the project aims to create a more vibrant and engaged global nation united by the shared vision of love, unity, and abundance. Together, as a united team, Lost Tribe Nation works toward a brighter future.

## Phase 1: Foundation Establishment

- **Start of Lost Tribe Parties** (January 2021): This marks the inaugural gathering of the Lost Tribe, symbolizing the birth of a global movement characterized by unity, love, and abundance.
- **Birth of Lost Tribe as a Nation** : In this phase, Lost Tribe Nation is officially established, cementing its identity as a global community driven by a shared vision.
- **Building the Foundation** : Work begins on the foundational elements of Lost Tribe Nation. This includes developing the infrastructure, community guidelines, and initial projects that set the stage for future growth.

## Phase 2: Love Token Introduction and Community Building

- **Love Token Airdrop and Marketing Launch** : Lost Tribe Nation introduces the Love token and conducts an airdrop to members. Simultaneously, a comprehensive marketing strategy is launched to unite the community.
- **Love Token Private Sale** : This phase provides early community members with an exclusive opportunity to acquire Love tokens at a discounted rate, incentivizing early support for the project.

## Phase 3: Love Token Pre-sale, Marketing Expansion, and Documentation

- **Love Token Pre-sale:** A dedicated pre-sale phase (exact date to be announced) allows interested participants to purchase Love tokens before they become available to the wider public.
- **Marketing at a Bigger Scale:** Building on the earlier marketing efforts, Lost Tribe Nation scales up its promotional activities to reach a broader audience.
- **Passport and Certificate Sales:** Lost Tribe Nation introduces the option for members to use Love tokens to purchase passports and certificates of birth, imbuing these essential documents with symbolism and significance within the community.

## Phase 4: Token Listing, Property Search, and Celebration

- **Listing on Exchange :** The Love token becomes available for trading on cryptocurrency exchanges, enhancing its liquidity and accessibility.
- **Sourcing Properties :** The nation initiates the search for suitable properties, including land and islands, to purchase and develop, further enhancing the sense of belonging within the community.
- **Lost Tribe Nation Festival :** A grand celebration is planned to mark the community's growth and unity, providing an opportunity for members to come together and celebrate their shared vision.

## Phase 5: Property Acquisition and Development

- **Property Acquisition** : Lost Tribe Nation actively works toward acquiring land and islands to establish their unique and self-sufficient community.
- **Property Pre-Sale** : Members are offered an exclusive opportunity to invest in community properties, strengthening their sense of ownership within the nation.
- **Property Development** : Construction begins on these properties, creating spaces to accommodate Lost Tribe Nation members and further solidifying the community's presence.

## Phase 6: Ongoing Growth and Celebrations

- **Property Delivery** : Lost Tribe Nation starts delivering properties to its members, fostering an even stronger sense of belonging and permanence.
- **Lost Tribe Time travel start** : A new project is introduced, marking another exciting chapter in Lost Tribe Nation's journey. You can get more information about it on the website.

## Phase 7: Property Rental Platform and Beyond

- **Property Rental Launch** : Lost Tribe Nation introduces a platform to facilitate property rental among community members, creating opportunities for shared experiences within the community.

**And Much More to Come...** The future holds many more exciting developments and opportunities within Lost Tribe Nation as the community continues to grow and evolve.

## Conclusion

Lost Tribe Nation is not merely a community; it's a movement, a dream, and a vision. With the Love token as its foundation and the collective energy of its members, Lost Tribe Nation aims to rewrite the script of the world. As the journey unfolds, stay tuned for more updates, events, and opportunities to be part of this transformative global nation. Join us, and together, we'll create a world full of love, unity, and abundance.
