Show and Tell:

The next meeting will be on July 5, 2023 at the Antioch Senior Center at 7:30 pm.

Meeting was called to order at 7:30 pm with 9 members present.

Old business: The July and August meetings will not have a presentation as many members are on vacation and attendance is usually low.

Pete bought a jar in Kalamazoo. It was his only purchase in a year.

Stacy will give a update at the July meeting on the Club website.

R.T. Went to Dorothy's estate sale and purchased books for his neices.

Jim K. purchased 2 crates of bottles and Pete bought a 10 gal. Redwing crock.

John P. reported no contracts received yet for the November Shows at Lake County and Wheaton.

1st Chicago Bottle Club has a new show location at the Orland Park Civic Center.

John P. on behalf of his #3 grandson Adam showed a ½ gallon whiskey bottle and a 1925 wine with embossed grapes and a Dutch gin vertically ribbed with hand applied top.

Dick showed a Rheingold Chicago bottle with intact neck and body paper labels. A Schmich Bros and a amber elixer and a Corn Silk Extract Parke-Davis & Co. Detroit Michigan amber/yellow with cork and contents.

Jim showed a light blue bottle, Moses B. Spatz? M.B.S.F. Co. Chicago Illinois. This was found in the Desplaines river near a picnic grove.

Greg will bring treats for the July meeting.

Stacy did the presentation on 'Glass that Glows'. She is very knowlegable in this field and I believe everyone learned something from this tremendous presentation. The demonstrations of the different glass types was fantastic. Great job Stacy.
