

### ***Fond Farewells***

It is with much sadness that we must say goodbye to **Lauren**. She was part of our facilities and front office staff. Lauren is moving on to her true passion (roller derby) and managing events at Ringing Rocks Roller Rink. *We will miss her and wish her well!*

It is with much sadness that we must say goodbye to **Lara**. She was part of our sales and marketing staff. Lara is moving north to her hometown of Rochester, New York to be closer to her family. *We will miss her and wish her well!*

***SMILE!***

*It's exercise, it doesn't cost anything,  
and it makes you feel good!*

### ***Sanatoga Swim Club***

Sanatoga Ridge Community owns the property at Sanatoga Swim Club. However, Coventry Christian has a lease agreement in place and manages the entire property - not just the pool.

With this in mind, SRC and Coventry Christian have a close working relationship regarding the pavilion, pool membership, equipment, outdoor furniture, basketball/pickleball/shuffleboard courts, and access to various areas of the property as well as upgrades/improvements.

Any questions, clarifications or concerns should be directed to the SRC Office.

## *Mechanical Room Storage*

The equipment in the mechanical room needs to be accessible by our staff and contractors. Mechanical rooms are not to be used as an additional storage area for your home. In addition, furniture and other heavy items should not be placed in front of the mechanical room access doors.

## *Air Conditioners*

Please do not delay in reporting air conditioner problems to the office. For better efficiency, do not keep turning the unit on and off. It's better to set it and forget it. Turning the air on late during a hot day may cause the unit to not be able to catch up and cool your home.

## *Maintenance or Landscape Items*

Do you have a maintenance or landscape item that needs to be fixed or looked at?

Please call the office to have it scheduled through our work order process. Calling the office ensures your issue is documented, assigned to the appropriate staff member, and tracked to completion. This also allows us to compile vital information on recurring issues or installation dates.

Our staff members have specific assignments for the day and may not have time to address additional issues while at your home.

## *Maintenance Issues – Place Work Order ASAP*

It is important to call the office to place a work order as soon as you notice an issue. Postponing the reporting of maintenance issues, especially regarding appliances, can result in further damage, warranty expiration, or lengthy delays in obtaining parts and service. While we do our best to accommodate residents' preferences, we must work on appliances, etc. according to our maintenance schedule in order to ensure we resolve issues as efficiently as possible.

Additionally, we may need to return to your home to follow up on certain work orders, including appliance repairs. At times, this may occur when residents are not home.

## *PECO – Power Outages*

Typically, power outages affect more than one home. If you are experiencing a power outage in your home, check with your neighbors to see if they are also experiencing loss of power. If both homes are out of power, call PECO directly.

***Each home has its own account with PECO.***

***Each resident (home) needs to report an outage to PECO directly when one occurs. Call: 1-800-841-4141***

Perhaps “neighbors can check on neighbors” who might need help calling PECO to report the power being off.

**IMPORTANT:** All residents should have a back-up plan, especially if you have medical equipment that requires electric (e.g., oxygen). You will still have water during a power outage.

## *Hose Connections*

Please turn off the water to your hose when you are done. If the hose were to burst or the sprayer malfunction, water would be running uncontrolled. This is especially dangerous for people who have hose connections in the mechanical rooms. In those cases, it could flood the house.

## *Porch Washing*

Front porch washing has been completed. We are so thankful for our team members for doing a wonderful job!

## *Power Washing Patio Enclosures*

We appreciate the help our residents receive from family members and friends. However, please **do not power wash patio enclosures**. Power washing causes water leaks and could result in extensive damage. Patio enclosures may be **handwashed**. Please do not wash another resident’s enclosure without their express permission.

## *All Payments By Check Only*

For accounting purposes, cash is not accepted in the SRC/BRC Offices. If you need to make a payment for dues, a trip, event, invoice, stamps, etc., please write a check payable to either SRC or BRC (whichever is appropriate), place it in an envelope with your name including your address, and place the envelope in the Office In-Box.

## *Community Mailboxes*

Don't wait until the 1<sup>st</sup> of the month. Please check your community mailboxes frequently. Information gets placed in these mailboxes throughout the month. Sometimes by waiting until the 1<sup>st</sup> of the month, you will have "old news".

## *Not Home For a Little While?*

If you are going on vacation, or a stay in the hospital or rehab, please call the office and let us know. We get calls from concerned neighbors and it eases our mind and your neighbors that you are OK.

## *Friendly Pet Reminder*

Please be courteous to your neighbors and do not allow your dog(s) to "relieve" themselves on buildings, shrubbery/mulch or lawn ornaments. Excrement must be cleaned up immediately. In addition, when outside, pets must be leashed and under full control of an adult.

## *Using Command Hooks in Your Home*

If you use Command hooks in your home, you must follow removal instructions on the package carefully (strips must be removed very slowly). If they are not removed correctly, considerable damage may occur to the drywall. If you cannot remove them without tearing the drywall, consider using a nail instead.

## *Neighbor Check*

Want to do something nice that does not cost anything or take a lot of energy but has a great reward?

Check on your neighbor!

Sometimes just a "hello" by a phone call or knock on the door makes someone's day!

## *Parking Reminders*

- Handicapped parking is provided only for vehicles displaying a handicap placard or license plate.
- Residents are to park in their assigned numbered space or in an un-numbered parking space.
- Please remind your guests to park in an un-numbered parking space.

## *Table Tennis*

Did you know that table tennis is the most popular indoor sport in the world? Why not join the crowd. Table Tennis is open in the Club Room located on the 2<sup>nd</sup> floor of the SRC Community Center.

*By the way, the Club Room is also home to other activities. Check your Ridge Reporter calendar to see what else meets here!*

## *Billiards*

Have you noticed that the doors are open and lights are on in the SRC Game Room? Why not join your neighbor in a game of billiards?

## *Sanatoga Ridge Hair Salon & Library*

The hair salon is open! If you would like to make an appointment, please call the stylists directly.

- Ann: 610-495-1461
- Beverly: 610-574-1474
- Mary: 484-686-4946
- SRC Library/Salon Area: 610-326-2780

## Tai Chi for Arthritis

**Monday, September 11 at 11 AM (8 Mondays)**

One of our most favorite classes offered by Montgomery County Office of Senior Services, Tai Chi for Arthritis runs from Monday, September 11 through Monday, October 30 in the SRC Auditorium. Tai Chi is great for improving proprioception, the ability to sense the position of one's body in space, which declines with age. Tai Chi uses gentle stretching which boosts upper and lower body strength and flexibility, improves balance, and helps reduce falls. **RSVP by Thursday, August 31. Class limited to 18 participants.**

## Phoenixville First Fridays 2023

**Join us downtown every First Friday from 5:30pm - 8:30pm, May through November.**

Starting in June through October, First Fridays will operate within the PXV Inside Out open-air closure to create an ambiance of a night market all along Bridge Street and in the Main and Bridge Street parking lot. November's First Friday will be held throughout downtown and in the Main and Bridge Street Parking lot. There will be small live musicians placed throughout the downtown on Bridge and Main Streets, and handmade craft/artist vendors in the Main and Bridge Street parking lot.

**LIVE MUSIC. EVERY FRIDAY.**

The Summer Music Series happens every Friday (other than First Fridays) from 6-8 pm. It is an event that features a variety of live musical acts, spread throughout downtown.

# SMILE!

*Put on a happy face and be prepared to give your facial muscles a great workout!*

- Your face has 44 muscles in it that allow you make more than 5,000 different types of expressions, many of which are smiles. And when you're happy, your body pumps out all kinds of feel-good endorphins. An article on Smithsonian.com showed that smiling, even forced, causes our bodies to produce physiological changes that reflect the emotion, such as changes in heart and breathing rate.
- Take every opportunity to make someone smile. One of the easiest ways to get someone to smile is to smile at them first—just like a yawn, smiles are contagious!
- Make a list of things that make you smile and then post them in a place you'll see them often.
- Have a smile-off with someone and see who can smile the longest.
- When you get up in the morning, smile. Think happy thoughts in that one moment; it will set the tone for your day.
- Have a contest with yourself to see if you can smile more times each day during smile week than the day before. Be bold and set a quota for yourself for the week—even 1,000 smiles!
- Get into the habit of visualizing your smiles. The key to achieving what you want may lie in your ability to visualize it. By smiling during your visualizations, you cue your brain that what you are really wanting to happen, actually did, and then your body and mind can change more easily to the desired behavior.
- Smile at yourself in the mirror. By practicing, you find out what a genuine smile feels like. People who smile a lot are perceived to be positive role models.
- The next time you're stressed, don't fall apart. Instead, take a few deep breaths and smile! Smiling may help to reduce symptoms associated with anxiety. When that smile signals to your brain that you're feeling happy (even though you aren't), your body will usually slow its breathing and heart rate.
- People usually look their best—and happiest—when smiling.
- Smile out of gratitude for all the blessings that surround you in life.
- Connect with your family, friends, and neighbors by immediately sharing your smile with them.
- Surround your home in framed photos of you and your loved ones SMILING!
- In the words of the very funny and talented Will Ferrell, who played Buddy in the holiday movie Elf: “I just like to smile! Smiling's my favorite”.
